Andrews University

Network Registration Info

Guest registration is for guests of the university and is intended for occasional use.

Guest registration is for a limited time and is not renewable until some time has passed. It is not intended for use on a regular basis or use by the regular university community.

Guest registrations have been used for network abuse so providing complete and valid information is required for guest validation. Collected information is used only for guest validation

Providing incomplete or invalid information is grounds for early registration expiration

Acceptable Network Usage Policy

Andrews University expects that all persons who make any use of Andrews computing hardware, software, networking services, or any property related to the use of these facilities, will abide by the following policy statement:

Andrews University information technology resources are provided in the hope that the whole Andrews community will use them in a spirit of mutual cooperation. Resources are limited and must be shared. Everyone will benefit if all computer users avoid any activities which cause problems for others who use the same systems.

All hardware, software, and related services supplied by the Andrews are for the sole purpose of supplementing and reinforcing the Andrews's goals as set forth in the student and faculty handbooks and other mission statements of the Andrews. It is a specific violation to give account passwords to individuals who are not the owners of such accounts, or to obtain passwords to or use of accounts other than one's own.

We expect that no one will use hardware, software or services without authorization to do so. Copying software is a violation of federal copyright law. Individuals may not extend their use of the facilities described above for any purpose beyond their intended use, nor beyond those activities sanctioned in Andrews University policy statements. In particular, no one may use them

- for personal profit or gain,
- to harass, threaten, or otherwise invade the privacy of others,
- to initiate or forward e-mail chain letters,
- to cause breaches of computer, network or telecommunications security systems,
- to initiate activities which unduly consume computing or network resources.

Individuals who violate the aims of this policy will be subject to disciplinary action or to referral to law enforcement authorities. ITS personnel are authorized to monitor suspected violations and to examine items stored on any Andrews University storage medium by individuals suspected of violating this policy.

By clicking "Accept" you signify that you have read and will abide by the terms of the Andrews University Acceptable Network Usage Policy.

You must accept this policy to use the network.

Once it is finished, you will be redirected to the Andrew's University home page.

Andrews Academy home page is:

<http://www.andrews.edu/aa>

The screenshot shows a Windows Internet Explorer browser window displaying the Andrews University website. The browser's address bar shows the URL <http://www.andrews.edu/>. The website header features the Andrews University logo with the tagline "SEEK KNOWLEDGE. AFFIRM FAITH. CHANGE THE WORLD." and navigation links for "About Andrews", "Academics", "Attending Andrews", "Life@Andrews", and "Services". A search bar is also present.

The main content area is divided into several sections:

- DEVELOP YOUR FAITH:** A section with a small image of hands holding a plant, text stating "From worship to service, you will strengthen your faith at Andrews", and a link "DISCOVER HOW...".
- WALNUT STUDY:** A section with a small image of a walnut, text stating "Be part of a groundbreaking scientific study on campus", and a link "SIGN UP NOW...".
- EASTER PASSION PLAY:** A section with a small image of a play scene, text stating "Tickets for this year's inspiring event are now available.", and a link "LEARN MORE...".
- INTERNATIONAL FOOD FAIR:** A section with a small image of a plate of food, text stating "Enjoy food and festivities at this cultural celebration", and a link "READ MORE...".

Below these sections, there is a navigation menu with links for "Future Students", "Current Students", "Parents & Visitors", "Faculty & Staff", and "Alumni". A "Seek Knowledge" section features a small image of a person reading and text describing the university's commitment to education.

The footer area includes "RECENT NEWS" with items like "HLC Accreditation On-site Visit" and "45th Annual International Food Fair"; "UPCOMING EVENTS" with items like "Mar 21 - Higher Ground Cancelled" and "Mar 21 - Pioneer @ Worship Service"; and a "CALENDAR" for March 2009.

March 2009						
Sun	Mon	Tue	Wed	Thu	Fri	Sat
1	2	3	4	5	6	7
8	9	10	11	12	13	14

The browser's status bar at the bottom shows "Trusted sites" and "100%" zoom level.
