EVANGELISTIC PREACHING PROPOSALS:

BEGIN PREACHING ON OCT. 15

PROPOSAL #1

Split the class into TWO SECTIONS for the ‘lab’ portion of the class only—beginning Oct. 15.

Need at least 9 students to attend and preach at 8:30 a.m.-9:30 a.m. time slot until the end of the term—except for the exam day. The remaining 10 students will continue at the regular 9:30 a.m.-10:30 a.m. time period.

Each student attending the 8:30 a.m. class period will receive 2% extra credit for each of the two sermons that they preach.

PROPOSAL #2

Have 3 preaching ‘labs’ of 3 1/2 hrs. duration each; one on Monday and two on Fridays.

-6 students will preach at each lab period.

-Students will only be required to attend when they are preaching—but they must stay for the entire lab period when they preach to help critique the sermons of others.

-Each student will receive 2% extra credit for the sermon they preach at the additional lab period.

-Most every student will need to preach at least at one lab. No one will need to attend more than two and 2/3 of the class will only need to attend ONE LAB. 6 students will need to preach at two labs—but will get extra credit both times.
