AA Alumni Campaign 2011-12

The alumni association is still fundraising for the 2011-2012 campaign gift to Mr. and Mrs. Cleon White. As was mentioned in prior newsletter, we are endeavoring to say thank you to the Whites for the many years of dedicated service by giving them the gift of travel.

The alumni are sending the Whites to Europe to participate in the AA reformation tour with Mr. Baker. This tour presented us with an outstanding opportunity to send Mr. & Mrs. White on a trip where everything is planned for them, they would be surrounded by people they know and love, and have the freedom to choose what activities they wished to participate in.

If you were one of the endless students that were rewarded by the humble and untiring service that Mr. and Mrs. White, offered AA and their students. We would encourage you to make a tax deductible donation to the AA Alumni Campaign.

The cost of the trip (including airfare, hotel and food) is \$2,800 per person for a total of \$5,600. We have raised \$4,000 to date. Please consider making a Tax Deductible donation to our AA Alumni Campaign at: www.andrews.edu/admres/aa_donor_web or Mail a check to Andrews Academy, Berrien Springs, MI 49104 (Memo: Alumni Campaign).

Thank you all for your support.

Take Care and God Bless,

Daniel Bacchiocchi '85
