## AA Alumni Campaign 2011-12

For the Alumni Fundraising Campaign for the 2011-2012, we chose to give the gift of travel to the recently retired principal, Mr. Cleon White and his wife, Sandra.

Those that had the privilege to interact with Mr. White know firsthand how tirelessly and humbly he worked to make AA the best it could be. Our desire is to give Mr. White something that he would not normally give himself. And since it had been reported that on an AA education trip to Quebec Canada, Mr. White said to his wife, "Enjoy this trip for this is the closest we will ever be able to get to Europe." We felt a trip to Europe was the logical choice.

Our search for a trip uncovered an AA Reformation Education tour to Europe March 2012, conducted by Mr. Baker.

This tour presented us with an outstanding opportunity to send Mr. & Mrs. White on a trip where everything is planned for them, they would be surrounded by people they know and love, and have the freedom to choose what activities they wished to participate in.

The cost of the trip (including airfare, hotel and food) is \$2,800 per person for a total of \$5,600. We have raised \$3,400 to date. Please consider making a Tax Deductible donation to our AA Alumni Campaign at: [www.andrews.edu/admres/aa\\_donor\\_web](http://www.andrews.edu/admres/aa_donor_web) or Mail a check to Andrews Academy, Berrien Springs, MI 49104 (Memo: Alumni Campaign).

Thank you all for your support.

Take Care and God Bless,

Daniel Bacchiocchi '85
