We would like to send our child to Andrews Academy if sufficient aid is available. We can *sacrificially* pay \$ \_\_\_\_\_ for this school year, with the first monthly payment of \$ \_\_\_\_\_ to be paid at Registration. We assume the responsibility of the remaining portion of the bill after student labor and Financial Aid are credited. We also understand that the remaining balance, after our initial payment, will be divided into nine equal monthly payments (September to May, unless otherwise arranged with the Accounts Manager). **We certify that all of the information in this application is true and correct to the best of our knowledge. We have attached a photocopy of our previous years' U.S. Income Tax forms and/or equivalent papers.**

We understand that we will forfeit Financial Aid if we do not fulfil our part of this agreement or if the conditions & requirements printed on the Tuition Estimate form (to be signed at a later time) are not met. We authorize any credits from our Andrews University accounts to be transferred to our child/children once the loans are applied.
