STORIES OF STUDENT ACTIVITIES – BEACH PICNIC

We had our annual Beach Picnic on Wednesday, September 8, 2010. God blessed us with wonderful sunny day... however it was rather cold. So for some people their first activity was trying to stay warm.

In the morning we started with beach volleyball, touch football, soccer, swimming, balloon toss, and other beach events.

Lunch was provided by the school. The ice cream was great. During lunch someone (not from our group) was hang gliding in what seemed like perfect conditions... even turkey vultures joined in on the updrafts of the dunes.

After lunch the class events occurred. Each class had half an hour to create their sand sculpture that was to be creative and to have a symbolic message. See photos of each classes sculpture. A number of faculty judged the sculptures.

One of the last events of the day was the tug of war. Each class took turns pulling another class. This year the juniors (class of 2012) were the “strongest” class. This is the second year in a row for the class of 2012). Freshmen came in second place, and seniors third. The final event was a new event the greased watermelon race which was a lot of fun.

It was a fun day for all and a big thank you to Mr. Reichert, the SA officers and SA sponsors for running the morning activities. Also, a thank you to Mrs. Brantley who was the medical professional volunteer for the day.
