Andrews Academy begins each school year with a “Garden of Prayer” during the first worship of the school year. Students and faculty gathered at the front of the chapel to pray together to dedicate the year to Him. It’s an awesome experience to see hundreds of teenagers in prayer together.

We invite each family to attend the special dedication convocation service this Sabbath. The students, parents, faculty, and school leadership will participate in a dedication service. We ask that each of you will continue to pray for the Andrews Academy family throughout the year that we will have a blessed year.

AA Faculty & Family Picture

AA faculty have been looking forward to this school year and have been praying for your children. Please join us in prayer as we seek the Lord's blessing for this school year.

On Thursday Aug. 26 the Andrews Academy Family picture for the 2015 - 2016 school year was taken. We are pleased to let you know that enrollment is higher than expected, currently at 226 with a few more students to still register and with a large freshmen class of 62 students!

Registration

The first day of school was registration day on August 19th. As with any registration process, there were forms to fill out, books were purchased, ... and bills were paid. We appreciated the pleasant smiles in the midst of all these activities.

Thank you SA leaders, numerous other students, and PPI who helped with registration. It was a very busy day for you but many parents commented on how well & quickly registration went this year .

Hodge Podge

Hodge Podge occurred during the evening after the first day of classes. This activity is designed to be a mixer for students to learn each other's names, as well as to have a fun time. This year they had the freshmen and sophomores form a circle facing outward, while the juniors and seniors formed a circle facing inward. They introduced each other and then the outer circle moved to the right to introduce each other to another group of students. For those that ventured out into the cold evening the highlight was the water slide. Mrs. Keila Sanchez (spanish teacher) and Mrs. Jeannie Leiterman (principal) ventured out with a good number of students into the cold water.

Morning Devotions

Each morning of the week we have a morning devotion. On Wednesday, Pastor Ben Martin shared how we need to be like Elijah. When the armies were surrounding his city to capture him, Elijah knew the angels were there while the servant saw only the army, he only saw "partial truth". Elijah saw "the whole truth" he saw not only the invading army but all the angels that far outnumbered the army.

In our post modern world too many of us just see some of the truth. Please do not make choices based on partial truth, instead see all the truth God has for us. To pray as Elisha prayed, "Open his eyes, LORD, so that he may see." Then the LORD opened the servant's eyes, and he looked and saw the hills full of horses and chariots of fire all around Elisha. 2 Kings 6:17

New Painting

Stop by Mrs. Jakobsons Bible classroom to see the new painting of Jesus on her wall. Thank you Daniel Greene for using your talents to help others know Jesus more through your artwork. Daniel is an Andrews Academy alumnus from the class of 2015.
