Hank Aaron

Did you know that baseball season started this week? I have to admit--I love baseball season! It reminds me of spring and that spring is followed by summer. Did you also know that thirty-nine years ago today one of my boyhood heroes, Hank Aaron of the Atlanta Braves, hit his 715th career homerun, breaking Babe Ruth's legendary record of 714 homers?

I remember watching an interview where Mr. Aaron was being interviewed about his new homerun record. When asked about this achievement, Mr. Aaron's response was- "I'm hoping someday that some kid, black or white, will work hard and hit more home runs than myself. Whoever it is, I will be pulling for him." What a great statement to say about hard work. This may be one of the first memories I recollect where I witnessed someone encouraging the success of others.

How do you do in celebrating the success in

others? Do you carry the pom-poms and cheer from the sideline? Do you look over your shoulder and mutter "atta boys" under your breath or do you simply scoff?

Yes, it's true, "Hammerin' Hank" specialized in home runs, and in my opinion, he also specialized in working hard and also in celebrating the success of others. The Bible speaks many times about the benefit of hard work and its importance. God's Word also urges us: "Therefore encourage one another and build each other up, just as in fact you are doing" I Thessalonians 5:11. Let's focus on that this week and for always!

-Mr. O

Spain will never be the same!!!

Cienna Wales, Joy Ngugi, James Joo, Zach Hanna, and Kaily Iwasa joined Mr Graves and the AU band tour to Spain this past spring break. A wonderful experience was had by all!

Beautiful music was enjoyed by all as we celebrated Easter Weekend at Pioneer Memorial Church. Thank you strings for focusing our minds and hearts on God this past Sabbath morning. It sounded amazing.

Next year's SA pastor, Jordanne, shared on Monday how at a certain stage in her life that she regrettably put God in a box. She recounted the story of how a total stranger prayed specifically for her, and how it deeply impacted her life. She is so happy to once again have that deep friendship with Jesus, and was encouraging each one to find the deep friendship with Jesus.

Chelcie had Tuesday's morning devotion by have two groups of students participate in a Bible quiz. It's impressive to know the knowledge students have of the Bible.

On Wednesday Pastor Glassford told of an old bad looking cat that wandered the hallways each time he took his cat to the vet. After numerous visits he finally asked what this cat was doing wandering the hallways. The vet explained that it's the "blood bank". Any time there is a need for life saving blood during cat surgery they hook up this rather unattractive cat for it's blood. Pastor Glassford then read Isaiah 53 "in our eyes there was no attractiveness at all, nothing to make us want HIM.... But He was wounded and bruised for our sins.... that we may have peace".

Andrews Academy will be hosting a blood drive on Friday April 26th from 8:00 a.m. to 1:00 p.m. Please come out and support this project!

"EVERYONE LOVES A BLOOD DONOR"

Academic Orientation

This past Tuesday was academic orientation. The time was used to explain how to register for next years classes, what diplomas are available, and what classes each student should consider taking. New classes were also introduced. While this was happening, the AA seniors were over at Andrews University to register early for their first year classes.

AA Class Field Trip

35 Freshmen English and Ceramics students had a one day field trip to the Chicago Art Museum on Thursday. Students enjoyed a once in a lifetime experience as they walked through Picasso's special art exhibition and artist's galleries. Great weather, safe travel, and wonderful art to enjoy.... it was a fabulous day.
