BeFireSmart

An interactive approach to fire safety

The best way to stop a fire, is to never let one start. And since fire prevention is all of our responsibility, we invite parents and children, educators and fire fighters to join us as we make fire safety a fun and interactive experience for everyone.

Tip for October - Fire Safety Month
Did you know it only takes 45 seconds for a fire to engulf an entire room? But in just a few minutes, you could make a home safety plan that could ensure everyone gets out alive. [Click here for more.](#)
