We've relocated to Benton Harbor and we are growing by leaps and bounds. We need YOU to help individuals with disabilities succeed in their homes, communities and on the job.

We are seeking:

Skills Trainer/Job Coach: You'll train and monitor participants striving to accomplish individual goals such as learning to grocery shop, cook meals, on-the-job training, etc.

Requirements: You must possess a valid drivers license, valid insurance, a flexible schedule (days, evenings, weekends, holidays) and the ability to transport participants in your vehicle. We offer a generous benefits package to all fulltime employees and mileage reimbursement.
