

Andrews University
Department of Communication
MA: Communication Interdisciplinary Studies

Supervisory Committee Agreement

Student Name:

ID #:

The student's Supervisory Committee is a vital element of our Interdisciplinary Master's Program. The members function to support and mentor the students by their rich experience and academic knowledge. The committee member will work individually and in committee to fulfill the following responsibilities:

- Approve the student's *Plan of Study*.
- Advance a student on regular status to degree candidacy.
- Prepare the student for comprehensives.
- Read and grade the student's comprehensives.
- Read and evaluate the student's projects.
- Recommend the student for graduation.
