\$400 by Nov. 1, \$575 for class credit, 1 extra day's lift ticket: \$39

## Includes:

5 nights of lodging and 4-day lift tickets

## Required Pre-Trip Meeting

You will be required to attend the pre-trip meeting. We will go over the trip itinerary and sign up for rooms. The pre-trip meeting will be Wednesday, December 5, at 6:00 pm at Social Recreation Department.

## Lodging

All five nights will consist of ski-in/ski-out condos at Thunderhead Lodge (<http://thunderheadlodge.trcdirect.com>). There are a number of room configuration options. For those who are not coming with families we will be having room sign-ups at our pre-trip meeting and you will need to have roommates. If you do not come to the pre-trip meeting, you will automatically be signed up for a room with roommates.

## Transportation

You will need to find your own transportation. If you are taking the class for credit, a bus will be provided for transportation as an option. Sign up is at Social Rec.

## Food

You will need to take care of your own food needs. The condos have microwaves, ovens and fridges so you are able to fix your own food if you desire. Also, there are grocery stores in town where you can shop for what you need and a number of great restaurants. Sabbath lunch will be provided and a Monday night pizza feed.

## Ski/Snowboard Rental

Last year's rentals were \$10 a day for either skiing or snowbarding. Dave Jardine will be checking it out, and he will let you know when we get to the lodge.

## PE Class Credit

Credit is available for those who wish to take the trip as a PE class (PEAC 275-001). This fee takes care of the 4 days of ski lessons, Sunday, Monday, Tuesday, and Wednesday. You will be required to keep a lesson journal each day to show that you spent the required number of hours (4 each day) out on the snow.
