What is the formula you use when you calculate program completion rates?

Calculating the number of credits attempted by those earned.

In calculating your completion rate, do you include students who:

- ☐
 have withdrawn from graduate school completely?

- ☐ switch from one counseling specialty area to another (i.e., MCFC to CMHC)?
- ☐ transfer to another non-counseling graduate program?
- ☐ are dismissed from the program for academic reasons?
- ☐ are dismissed from the program for non-academic reasons?

☒ **Comments**

A student who withdraws from the graduate program is counted as having completed a full term during the reporting year. Additionally, graduates are tallied as both enrolled and graduated students.

What adjustments have you made to your program, if any, due to DEI requirements at your institution or in your state?

We now conduct New Student Orientation every semester students begin taking classes. Additionally, our doctoral students take a supervision training course prior to supervising master's students in Practicum.

REMINDER: Programs/Student Outcomes must be made publicly available on your program's website. The information to be posted includes the following four data points regarding each of your accredited specialty areas: (a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates. Posting a URL link to your completed Vital Statistics Survey report will satisfy this requirement.

Once this data has been posted, send the URL link to the location on your website via email to [cacrep@cacrep.org](mailto:cacrep@cacrep.org). If your program submitted a Vital Statistics Survey last year and you have previously posted program outcomes on the program website, you need to update your program outcomes report to reflect the most current data. If the URL link to the outcomes report changes when you update this information, you need to send a copy of the new URL link via email to [cacrep@cacrep.org](mailto:cacrep@cacrep.org).

You will NOT have an opportunity to receive a copy of your completed survey later. If you want a copy of your completed report, please ensure that you click the arrow at the bottom of the page and download the PDF.
