#### **DEPENDENT STUDENTS:**

## To determine who is considered a parent contributor for purposes of this form, see below:

- If your parents are living together and/or married to each other, include them both in the family size listing.
- If your parent is widowed or single, list this parent. If your widowed parent is remarried as of the day you completed the FAFSA, include the person to whom your parent is married, i.e. your stepparent.
- If your parents have divorced or separated, only include the parent who provides more financial support for you in the family size. If this parent has remarried as of the day you completed the FAFSA, also include the person whom your parent married, i.e. your stepparent.

## To determine your family size, include:

- 1. Yourself and your parent(s) (including your parent's spouse or partner if they are living together)
- 2. The number of children who will receive more than half of their support from your parents.
- Other people now living with your parent(s) and who receive more than half of their support from your parents.

**Support includes**: money, housing, food, clothes, medical and dental care, payment of college costs, etc. from July 1, 2025 through June 30, 2026. Please note, we may require documentation to prove members are supported more than 50%.
