IMPORTANT INFORMATION

Advance Deposit: Applicants attending the main campus from outside the United States (except Canada and Mexico) must make an advance deposit of \$2,000. This deposit must be paid in cash. No university scholarships may be applied to pay the deposit.

Deposit Allocation: This deposit is not available to cover registration expenses; the deposit earns interest during the time the student is enrolled. The deposit plus interest is refunded when the student's enrollment is terminated; alternatively, it can be used as partial payment for the final semester of registration. International students do not get a discount on their deposit when the deposit is used to pay tuition costs.

Resource Verification: Bank documentation as well as other forms of financial documentation are required to prove ability to support one's educational expenses. This documentation must be sent to the university directly from the bank. Sponsors in the USA will be required to sign an affidavit of support. In addition, the applicant must demonstrate adequate financial support for the duration of the program for which (s)he is applying.

I-20 Form: Once the deposit and resource verification are received and accepted, the university authorizes the International Student Services Office to issue the I-20 Form for the purpose of securing a United States student visa.

FINANCIAL RESPONSIBILITY: The following statement must be signed prior to acceptance.

I understand that all basic charges for each semester of attendance at Andrews University are payable in full at the time of registration for that semester. I will be responsible for and do hereby agree to pay promptly all charges. I understand that the terms are cash at the time of registration or at such other times as approved by the University, and that if any charges remain unpaid thirty (30) days after I cease to be a student at the University, a carrying charge of one percent (1%) per month will be added to all unpaid balances on my account. The University holds a security interest in the nature of lien against my transcript and other documents of record until the account is cleared. I further agree to pay reasonable costs of collection including attorney's fees.
