***Applicants must complete columns 1 through 9 — in full — to be considered for admission.**

Column 1— On each line write the appropriate years for every school year you attended.

Column 2— Write your age. If you were 6 years old when you attended school for the first time write 6 on the first line. Continue by writing your correct age for each grade you attended.

Column 3 — These are the actual years you attended school. Your first year is number 1, your second year number 2, etc. You must account for every year. If you were out of school for a length of time it must be noted. Allow one line for each year.

Column 4 — For each school year enter the standard, grade, form, class, sixieme, cinquime, sexts, or whatever may be the name of the class or level you attended that year. Use the terminology of the country where the school was located. Do not attempt to translate into American terms.

Column 5— Write the kind of school you attended such as Kindergarten, Elementary, Grundschule, Volkschule, Mittelschule, Gymnasium, Licium, Collegio, Ecole Superieur, Trade School, High School, Grammar School, Teacher's College, University, etc. Again, use the terminology of the country. If you attended a gymnasium, write gymnasium. If you attended an Anfbauschule, write that. Do not translate or interpret into "high school" or "junior college" or whatever you think is the American equivalent.

Column 6— Enter the name of each school attended. You may use more than one line on this if needed.

Column 7— Write the city, village or town where each school you have attended is located. Show country if other than country of citizenship. You may use more than one line on this if needed.

Column 8— Write the language used in class by your teachers.

Column 9— Write the name of any examination(s) you passed or certificate(s) you obtained at the end of that school year. For example, if you completed secondary school at the end of your twelfth year in school, on that line write: GCE, (number of subjects on "O" or "A" level) Abitur, Artium, Baccalaureate, Studenterexamen, etc.
