
WELCOME

Thank you for your interest in the graduate school. Please read the following information regarding the forms contained in your application packet. Pay close attention to the detailed instruction on the next page about the requirements for the GRE/GMAT and the TOFEL/MELAB tests as well as information on specific requirements for certain degrees. If you have any further questions don't hesitate to contact us.

NOTE: This application is not to be used to apply for an MDiv or DMin program, or for any Physical Therapy program. Please contact the Office of Graduate Admissions for a separate application packet for these programs.

Application and \$40 Application Fee

The enclosed application must be completed entirely, printed in ink or typed, and signed by the applicant before beginning the admissions process. A \$40 application fee is required and should be submitted at the time of application. We accept cash, credit card, check or money order. International applicants must use a U.S. draft / money order or a U.S. bank check with the U.S. bank's name and address printed on it. Make checks or money orders payable to Andrews University.

Statement of Purpose and Professional History/Resume

This form allows the Admissions Committee to gain a clear idea of the applicant's goals and objectives, and see where his/her experience lies. Please follow the instructions carefully on both sides of the enclosed form.

Recommendation Forms

Two recommendation forms are required for most master's level applicants. Three recommendation forms are required for all students applying to the Theological Seminary, for those seeking an EdS degree, and for all doctoral degrees. These forms are to be completed on your behalf by individuals who know your academic qualities and work skills/abilities well and are not your family members. Possible references are teachers, employers or chaplains/pastors. One recommendation should be from an academic source. Recommendations should be sent in by the evaluator to AU Graduate Admissions. Be sure your name is on each form.

Official Transcripts

Official transcripts are required from the registrar of each college/university you have attended. Be sure to ask about transcript costs. If the language of instruction at the school(s) is not English, the school(s) must provide transcripts in both the original language of instruction and in a literal English translation. To be considered official, transcripts (including translations) must be sent directly from your school(s) to the AU Graduate Admissions office or be received by AU Graduate Admissions in an unopened, school-sealed letterhead envelope. International transcripts are evaluated according to published guidelines for each country. Official and certified copies of examination reports and all secondary certificates (e.g., "O" and "A" levels) are also required of applicants educated outside of the United States. Transcript request forms are provided for your convenience.

NOTE: Transcripts received become property of the university and may be released intra-campus for purposes of academic advisement, evaluation and administration as deemed necessary.

Copy of Diploma(s)

Please submit a certified copy of your original diploma(s) with your application. This is required for applicants whose final transcripts do not list both the name of the degree obtained and the date the degree was conferred. Since most countries outside the U.S. do not include this information on transcripts, most international students must send a copy of their diploma. Please provide copies in both the original language of instruction and in English.

Educational Summary Sheet

Any applicant who has ever been educated outside the U.S. must complete this form. Please follow the instructions on the form carefully, as failure to complete this form properly will slow the admission process.

Estimated Budget Sheet

All applicants attending on a student visa (F-1 or J-1) must complete this enclosed form. This completed form and all other financial requirements and documents requested as indicated on the budget sheet should result in financial acceptance to Andrews University. After academic acceptance AND financial acceptance is granted, the I-20 or 2019 form will be sent to you.

Passport Identification Page—For students attending on a visa

A photocopy of the pages in your passport that include your name and other biographical information is required before your 1-20 can be issued. Please send this with your application.

Immunization Record

Although not required for acceptance to an Andrews University program, this form must be completed before a student can register for classes, and should be turned in as soon as possible. Students applying for off-campus programs (see list of Graduate Programs) do not need to submit this form. If you have any questions, please call the Student Health Nurse at 269.473.2222.

Residence Hall/Housing Applications

Applicants desiring on-campus housing should complete one of these forms. Residence Hall applications are for single students only. Non-Dormitory Housing applications are for those who are single and over 22 years old, married, or have families.

IMPORTANT INFORMATION ABOUT HOUSING, DEPOSIT PAYMENT, AND DEPOSIT REFUND—PLEASE READ CAREFULLY

All single undergraduates under 22 years of age should plan on living in the residence hall, unless living full-time with parents in the community. Forms for community housing are available from the Student Services at 269.471.6686, and must be completed in person before financial registration can be completed.

Your residence hall application and a \$150.00 (U.S. funds) room deposit must be received before your room can be assigned. Once housing is assigned, the deposit is forfeited if you fail to move in for the semester specified or do not cancel before the session's deadline. Upon proper check-out, your deposit will be transferred back to your account. Before moving into the residence hall, you must be financially cleared to attend Andrew University. Please do this in Registration Central before the August 15 deadline.

The housing request indicates your willingness to accept all residence hall regulations. Read carefully and answer each question; write more if needed.

NOTE: This application can also be completed electronically in Registration Central once you have been accepted to Andrews University.

Deposit Allocation: This deposit is not available to cover registration expenses; the deposit earns interest during the time the student is enrolled. International students do not get a discount on their deposit when the deposit is used to pay tuition costs. International student deposits that have not been refunded within four years after the student reaches non-current status shall be transferred from the student's international student deposit account to a quasi endowment account.

This documentation must be sent to the university directly from the bank. Sponsors in the USA will be required to send a bank statement. In addition, the applicant must demonstrate adequate financial support for the duration of the program for which (s)he is applying. **Documents may be faxed to the Int'l Coordinator at 269.471.6099.**

FINANCIAL RESPONSIBILITY: The following statement must be signed prior to acceptance.

I understand that all basic charges for each semester of attendance at Andrews University are payable in full at the time of registration for that semester. I will be responsible for and do hereby agree to pay promptly all charges. I understand that the terms are cash at the time of registration or at such other times as approved by the University, and that if any charges remain unpaid thirty (30) days after I cease to be a student at the University, a carrying charge of one percent (1%) per month will be added to all unpaid balances on my account. The University holds a security interest in the nature of lien against my transcript and other documents of record until the account is cleared. EVALUATION INFORMATION

The Sixteen Personality Factor Questionnaire (16PF) is a highly respected means of evaluating personality and is widely used in business and industry to select those applicants for employment who are best suited for particular occupations.

The Seminary has used the 16PF for many years to help assess how well suited students appear to be for the professional duties and responsibilities within ministry.

Some individuals who, in this way, have discovered that they were not well suited for pastoral ministry have found other satisfying avenues of ministry through the insights provided by their test results.

Completion and submission of the test is a required step in the application process, but the test results are not the sole basis for acceptance decisions.
