DOCTOR OF MINISTRY

July, 2010

### Introducing our New DMin Project Coach

As of July 1, Dr. David Penno took up his new responsibilities as the project coach for the Doctor of Ministry program. Dr. Penno's background includes 25 years in pastoral ministry in the Iowa-Missouri and Georgia-Cumberland conferences. He has also served as an evangelism coordinator. He holds a PhD in Leadership from Andrews University. Dr. Penno can be reached at 269-471-6366, [penno@andrews.edu](mailto:penno@andrews.edu).

Dr. Penno follows Kenley Hall who previously served the DMin program in this capacity. Dr. Hall continues at the Seminary as an associate professor of homiletics, and will also direct theological field education for the MDiv program.

### Three New Cohorts in 2011

#### Urban Ministry

Focused in Chicago, this newly designed concentration will bring together outstanding urban church pastors, municipal leaders, community organizers, and service leaders to address mission in the city. Andrews is linking with the Seminary Consortium for Urban Pastoral Education in Chicago; the first intensive is in March 2011; **the application deadline is December 1.**

#### Preaching

Dr. Hyveth Williams coordinates this new cohort, launching at the Andrews campus in June 2011.

#### Missional Church

Launching in April 2011 in Florida, this concentration prepares participants to lead a 21<sup>st</sup> century missionary movement for Western culture in a Seventh-day Adventist context.

The concentration is co-coordinated by the team of Dr. Michael F. Cauley, president of the Florida Conference, and Dr. Michael R. Cauley, pastor of the Oasis and Gracepoint churches in the Kentucky-Tennessee Conference.

### Participants! Good news regarding your fees!

We think you will welcome this change. Fees in the program (except the project continuation fee) are being absorbed into your tuition charge. You will not be puzzled by so many small fees showing up on your statement or worry about unexpected expenses. The change is financially neutral since the tuition reduction percentage for the program will simply be adjusted a like amount. The bottom line is it will be less confusing for you and more efficient for the university!
