## Launching in 2011—New Cohorts For...

### Urban Ministry

The city of Chicago provides the backdrop for the 2011 DMin Urban Ministry cohort that is currently in formation. A short distance from the Andrews campus, this thriving, dynamic and complex city offers the resources for the intended transformational learning experience. Participants will engage in an immersion in the life of the city including interaction with city administration, transportation system, hospitals, schools and universities, neighborhood restaurants, housing, shelters and entertainment options. The biannual conference of the Chicago-based Seminary Consortium for Urban Pastoral Education will provide enrichment to the intensive experience in 2011 and 2013. Plan now to be a part of this exciting new program--apply now while spaces are still available! Application deadline is **December 31, 2010.**

### Missional Church

Launching in April 2011 in Florida, this concentration prepares participants to lead a 21<sup>st</sup> century missionary movement for Western culture in a Seventh-day Adventist context.

The concentration is co-coordinated by the team of Dr. Michael F. Cauley, president of the Florida Conference, and Dr. Michael R. Cauley, pastor of the Oasis and Gracepoint churches in the Kentucky-Tennessee Conference. Applications may be submitted up to **January 31, 2011.**

### Preaching

Dr. Hyveth Williams coordinates this concentration, designed to equip participants with resources for transformational prophetic preaching. Preaching the Word has the power to transform hearers. Participants will be challenged, inspired, and motivated to be great prophetic preachers of the 21<sup>st</sup> century. As graduates use the resources garnered from this concentration, congregational revival will be the anticipated reward.

The first intensives will meet at the Andrews campus in June 2011. Application deadline is **April 1, 2011.**

### New Academic Year, New Fee Structure

A new academic year begins with the fall 2010 semester, and along with it come some changes in tuition and fees, as determined by University administration. Some of these changes will affect participants in the DMin program, so please make careful note:

DMin tuition in North American Division	\$363.71/credit
Project continuation fee	\$250.00/semester
Program extension fee	\$983.00/semester

There will no longer be a separately itemized distance-education delivery fee for access to library resources.
