## DOCTOR OF MINISTRY

March, 2011

### Apply by April 22 for DMin Preaching Concentration

Dr. Hyveth Williams coordinates this concentration, designed to equip participants with resources for transformational prophetic preaching. Preaching the Word has the power to transform hearers. Participants will be challenged, inspired, and motivated to be great prophetic preachers of the 21<sup>st</sup> century. The first intensives will meet at the Andrews campus in July 2011.

**Application deadline is April 22, 2011.** Persons who are not United States citizens or permanent residents usually need student visas to attend intensives, and should apply at least 6-8 weeks earlier than the published application deadlines. **For more information about this or any other cohorts, see [www.doctorofministry.com](http://www.doctorofministry.com), or call 1-888-717-6244.**

### Urban Ministry Cohort Launches in Chicago

Eighteen enthusiastic participants are meeting at the Westin Hotel in the heart of Chicago for their first-year intensives. The first week included a day-long field trip, visiting several churches that serve the population on the north side of the city. The group also walked the site of the notorious Cabrini-Green public housing project, now being rebuilt as a mixed-income community. The remainder of the first week took the group to the SCUPE (Seminary Consortium for Urban Pastoral Education) conference at McCormick Place.

### Reminder for International Program Participants
