

Andrews University  
Seventh-day Adventist Theological Seminary  
Professional Formation in Chaplaincy Ministry CHMN 785  
Nov 6 - 14, 2009, Andrews University, Berrien Springs, MI  
Seminary Room S215.

Mario E. Ceballos, D.Min., BCC, Lead Teacher

CLASS SCHEDULE

Special Student Notes:

**1. DOCTORAL PROGRAM PROGRESS REPORT.** Each student is allotted a 50-minute class period called a “Doctoral Program Progress Report.” This is time to give a progress report and receive cohort input on the status of the Ministry Development Plan, program Portfolio, doctoral project proposal, etc. Use this time wisely to benefit from feedback from your colleagues.

**2. PROGRAM ADVISOR APPOINTMENTS.** Two class periods are set aside for you to confer with your program advisor(s). Please schedule these appointments in advance to maximize use of this time.

**3. BOOK REVIEW/DISCUSSION.** Each student has a 50-minute class period to give a report and lead discussion on the pre-intensive book of their choice. The report can be enhanced with PowerPoint, but that is not required.

6<sup>th</sup> Monday

|                |                                                                             |

## 10<sup>th</sup> Friday

|                |                                                                                                                          |
|----------------|--------------------------------------------------------------------------------------------------------------------------|
| 8:00-8:50 AM   | Devotions<br><i>Christian/Spiritual Leadership: Integration of Learning</i>                                              |
| 8:50-9:00 AM   | Break                                                                                                                    |
| 9:00-9:50 AM   | Christian Leadership in today's world <b>MeC</b>                                                                         |
| 9:50-10:00 AM  | Break                                                                                                                    |
| 10:00-10:50 AM | <i>The Challenge of leadership <b>MeC</b></i>                                                                            |
| 10:50-11:00 AM | Break                                                                                                                    |
| 11:00-11:50 AM | The New World of Adventist Chaplains and the leadership Challenge: Endorsement, Certifications, Accreditation <b>MeC</b> |
| 11:50 AM-Noon  | Week-end plans:<br>*Action-Reflection Assignment (below)<br>*Discuss cohort social activity.                             |

**WEEK-END ACTION-REFLECTION ASSIGNMENT:** Attend a church of your choice, placing yourself in the place of the Pastor. Observe and reflect: How can you help and take an active leadership role in that congregation, and what implications that has for your chaplaincy program?

Be specific, do some reflection and analysis and write a 1-2 page summary. Be ready to share in class on Monday.

13<sup>th</sup> Monday

|                |                                                                |
|----------------|----------------------------------------------------------------|
