

**Andrews University Doctor of Ministry
Urban Ministry 2011 Cohort
Schedule
February 27 – March 11, 2011 Followed By the Project Seminar**

COHORT OUTCOMES

The outcomes of the urban ministry concentration include; 1) a knowledge base, 2) a transformational emphasis on being, and 3) doing evidenced in skill training for ministry leadership.

Knowing: The knowledge base has the four following components:

1. A faithful theology of urban ministry
2. A current understanding of public issues in urban life including:
 - a. Housing
 - b. Education
 - c. Health care
 - d. Transportation
 - e. City Administration
 - f. Justice
 - g. Human relationships
 - h. Poverty
 - i. Violence
 - j. Cities as regional centers of influence
 - k. Cities as international connection points
 - l. Cities as global microcosms
 - m. Cities as points of international mission outreach
3. An understanding of how systems shape life and mission in the context of the city
4. An understanding of how to promote healthy cities

Being: In the process of the urban ministry concentration, participants will experience transformational development in the following essentials.

1. A compassionate vision for people
2. A vision for mission in the city
3. Appreciation of diversity
4. Commitment to empowering people
5. Courage to challenge the status quo

Doing: Participants in the urban ministry concentration form skills for effective ministry in the context of the city. Those include:

1. Fostering vision for mission within the city context
2. Identifying needs of people and neighborhoods

3. Facilitating effective planning within the systems effecting life in the city
4. Leading and managing specific ministries appropriate to the urban context
5. Leading evangelistic ministries in the context of the city
6. Community organizing, including networking and cooperating with churches and other agencies
7. Managing Change Well
9. Managing Conflict Effectively
10. Fostering appreciation for diversity and multiculturalism
11. Developing Resources for Ministry in the Urban Context

The outcomes that most directly relate to this module are:

Knowing:

1. A faithful theology of urban ministry
2. A current understanding of issues in urban society including:
 - a. Housing
 - b. Justice
 - c. Human relationships
 - d. Poverty
 - e. Violence
3. An understanding of how systems shape life and mission in the context of the city
4. An understanding of how to promote healthy cities

Being:

1. A compassionate vision for people
2. A vision for mission in the city
3. Commitment to empowering people
4. Courage to challenge the status quo

Doing:

1. Fostering vision for mission within the city context
2. Identifying needs of people and neighborhoods
3. Facilitating effective planning within the systems effecting life in the city
4. Leading and managing specific ministries appropriate to the urban context
6. Community organizing, including networking and cooperating with churches and other agencies
