

News for February 2010

Move to Moodle

We are well underway preparing the Moodle site. Mark March 3 on your calendars, this is the MOODLE KICK-OFF DAY. There will be sessions on how to use Moodle and the process of moving from Desire2Learn.

To help us make sure we get all of your data out of D2L, please fill out this questionnaire found at the following link:

Online Enrollment

AU students who need to sign up for distance courses are now eligible to do this through Registration Central. The courses are found under Field Base options. The -899 courses are the paper based and the -999 are the online versions.
