

## News for May 2010

### TurnItIn

**NOW AVAILABLE:** If you have a paper that you would like to check on the originality of the sources, send it to us and we will have it checked. Starting Fall Semester 2010 this will be available more campus wide with teachers having their own access. Look for training dates in the next NEWS.

### Softchalk

The DLiIT now has a license for Softchalk, content development software. If you are interested in making changes to your content to be more interactive, please contact us.

### Learning Management Software (LMS)

We are reviewing the usages and usability of Desire2Learn (D2L). Your feedback is crucial as we consider the needs for teachers and students here at Andrews University. In the next few weeks you will be receiving an email with a link to a survey regarding D2L.
