

News for October/November 2010

TurnItIn

Student Opinion of Teaching Survey is available to do online. The standard open time will be November 29th - December 10th. If you need a different time or would like the survey to be attached to an activity in D2L (this will increase the rate of return), you need to email dlit@andrews.edu before November 23rd.

D2L vs. Moodle

Come to the General Faculty Meeting on November 29 for a look into Moodle.
