## Chapel Seating Chart

The following diagram shows Chapel seats with row letters and seat numbers. Notice that the platform is at the bottom of the diagram and the entrance doors are located at the top and sides. You may want to circle your seat and keep this with your schedule for reference. You will find your Chapel seat number on your schedule. This is the seat you will use for Morning Devotions at 8:55 each morning and Assembly on Tuesday at 10:15.
