

ANDREWS ACADEMY
Application for
Graduation with Academic Honors

Name _____ I.D.# _____

Date _____ Grade _____

To the Academic Affairs Committee:

It is my desire to graduate from Andrews Academy with academic honors. I understand the policy printed in the *Sourcebook* and request approval to be admitted into the honors program. The information and signatures below verify my intentions and confirm my awareness of the provisions and requirements of the "Graduation with Academic Honors" policy. This form is to be submitted during the second semester of the junior year.

Plan your program in the space provided, indicating how you expect to fulfill the Graduation with Academic Honors requirements and specified units and/or projects.

Choose and identify the three specified units or projects:

Check one	Option	Department 1	Department 2	Department 3	Required Credits									
					Solid	Total								
<input type="checkbox"/>	2 specified courses 1 project <small>(over for Project Guidelines)</small>				14.0	24.0								
<input type="checkbox"/>	3 specified courses (no project)				14.5	24.0								
Total credits you expect to earn: <div style="text-align: right; margin-right: 20px;"> Solid credits _____ Non-solid credits _____ Total _____ Deduct Fine Arts credit over 2.0 _____ NET TOTAL _____ </div>			Solids are credits earned in English, modern language, mathematics, science, and social studies. The specified units or projects must each be in separate departments. Courses that may be taken as specified units are as follows: <table style="width: 100%; border: none;"> <tr> <td style="width: 50%; vertical-align: top;">English</td> <td style="width: 50%; vertical-align: top;">AP Language, Composition</td> </tr> <tr> <td style="vertical-align: top;">Language</td> <td style="vertical-align: top;">Spanish II, German II</td> </tr> <tr> <td style="vertical-align: top;">Mathematics</td> <td style="vertical-align: top;">Precalculus</td> </tr> <tr> <td style="vertical-align: top;">Science</td> <td style="vertical-align: top;">Chemistry, Physics</td> </tr> </table>				English	AP Language, Composition	Language	Spanish II, German II	Mathematics	Precalculus	Science	Chemistry, Physics
English	AP Language, Composition													
Language	Spanish II, German II													
Mathematics	Precalculus													
Science	Chemistry, Physics
