It's not too often that the lead picture for the AA weekly is a picture of a large pile of bags! Besides preparing for finals this week AA was busy with activity as students gave clothing and food items for those in need. Andrews Academy's Christian Service class organized the food and clothing drive. Students of the class made posters and advertisements in advance of the drive to encourage students of AA to get involved. Students of the class also made arrangements with various teachers to see if they would give a few bonus points to encourage student involvement.

Tuesday's collection of food and clothing was such success that they needed to extend the event one extra day to accommodate students generosity. Over 3840 pounds of clothing and food was collected. Students of Christian Service class sorted these items so they good give the food and clothing to 5 different food and clothing banks.

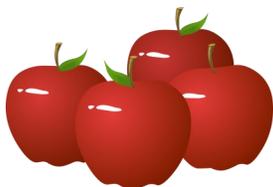

Thank you Christian Service class for leading in this drive and for so many AA students for getting involved by helping others in need.

AA FAMILY PRAYER FOR MRS. SANCHEZ AND SAILA

There is power in prayer! Thursday the AA family had a special prayer for the Sanchez family. Thursday marks 40 days until Saila's 5th Open Heart Surgery at CS Mott Children's Hospital. The AA family is beginning a 40 Days of Prayer for Saila starting May 19. The AA family would love to invite you to join us in prayer for Saila as they prepare for surgery. Saila's surgery date falls on June 28, and so we've decided to use this date as our prayer time. So at 6:28 PM daily, join us in uplifting Saila in prayer. Thank you again and continue to pray for Saila.

It is PRAYER to the *Great Physician* to heal the soul that will bring the blessing of God.

CHAPELS

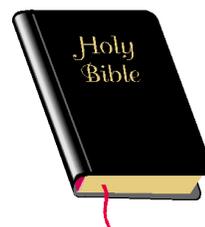

This week was Senior Advice Week, where some seniors presented the chapels, sharing with the students some of the things they were glad they were involved in, as well their mistakes and what they regret doing (or not doing) now that they're almost done with high school.

On Monday, Eric Smoot gave a short chapel talk encouraging the students to get involved. If they receive options to do something 'scary' he told them to step outside of their comfort zone and do it.

On Tuesday, Jessica Newkirk, Kailey Iwasa, and Zoey Caballero shared with us a list of what they have been doing (and what they wished they had done more of). They encouraged students to; get involved, get good grades, having real relationships, running for various offices, not caring about people judging you, knowing how influential your actions can be on other people, and, most importantly, taking time to grow in God.

- Get Involved
- Good grades are important
- Strive to make real relationships
- Get out of your comfort zone
- Don't be concerned with what people think about you
- You are more influential than you think
- Take time to grow with God

CHAPELS

On Wednesday, Dijae North gave a chapel talk highlighting the importance of choosing your friends wisely and to be yourself, not what other people tell you to be. He also told us to make sure that wherever we go, we need to uphold the standard of AA. We need to be Jesus for those who don't personally know Him so they can become Christians.

On Thursday, Valerie Curtis told us a list of things to keep in mind in order to make AA the best school we can. She said that we need to appreciate the privileges of going to a school like AA, to respect teachers, to know that we don't have to go to every school meeting, and, most importantly, to not spread gossip/participate in drama. We need to watch what we say about other people on a daily basis because it might come back to haunt us and could hurt others.

Friday a group of five seniors, Jessica, Kennedi, Sharon, Olivia, & Heidi, shared interesting stories and insights from their Academy experiences. One important point they wanted to share was that 30 seconds of kindness can hugely impact others. Also bad things may happen but there memories do not last for ever however your GPA does, so work hard. Figure out what study technique works for you. Each senior also shared personal reflections on

teachers that have greatly impacted them while at AA. Encouraging underclassmen to get to know your teachers more and appreciate what they are doing for you.

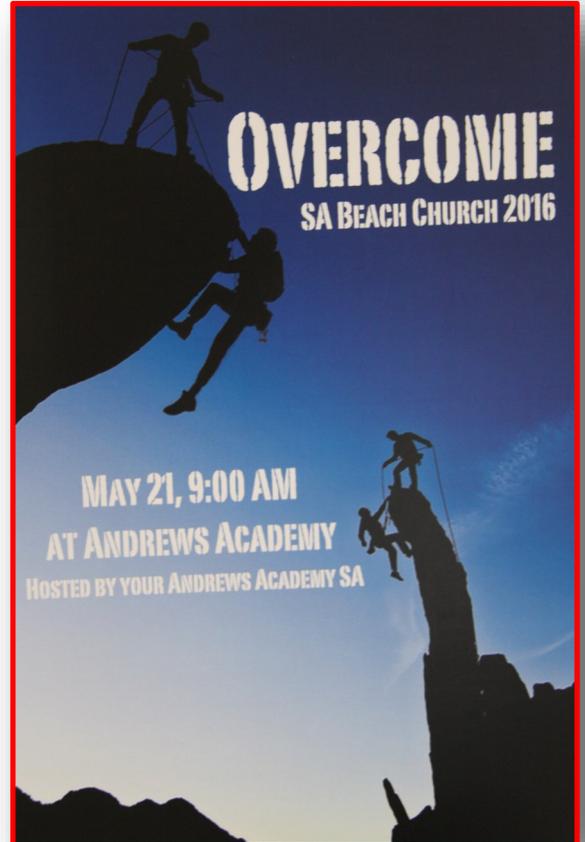

Thank you seniors for leading in chapels and for leading in singing this week.

CLASS VESPERS

Periodically throughout the school year classes organize a class vespers. This past Friday (May 13) was the last class vespers of the school year. Each class had a vespers at various locations. For example the Juniors went to Chris Won's home for supper and vespers. While the Freshmen went to lake Michigan for a vespers by the beach. Thank you officers for planning these meaningful times together.

Please make sure you have completed the re-enrollment packet and turned it in before August 15th. You will not be able to participate in Registration Day, August 17th if the re-enrollment process is not completed.

FINAL EXAMS

Please note when your exams are scheduled for and carefully prepare for your final exams so you can do well in each of your classes. Remember exams begin at 8 am each day. If however you have a study hall (or have bells, or band) during your first exam of the day then you do not need to arrive at 8 am that particular school day. Your first appointment would be at 9:25 am. If your transportation requires you to still arrive at the school at 8 am then please go to the study hall room.
