## 4. CHARACTER–

The purpose of the NHS organization is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character.

*“A person of character demonstrates the following six qualities: respect, responsibility, trustworthiness, fairness, caring, and citizenship...It can also be said that the student of character:...takes criticism willingly...accepts recommendations graciously...consistently exemplifies desirable qualities of behavior (cheerfulness, friendliness, poise, stability)...upholds principles of morality and ethics...cooperates by complying with school regulations... demonstrates the highest standards of honesty and reliability...regularly shows courtesy, concern and respect for others...observes instructions and rules...is punctual, and faithful both inside and outside the classroom...has powers of concentration, self-discipline, and sustained attention as shown by perseverance and application to studies...actively helps rid the school of bad influences or environment.”*

**A.** My attendance points for the previous 3 semesters, beginning with last semester, are as follows:

\_\_\_\_\_

**B.** Have you received any citizenship referral warnings, been on probation (citizenship), or received any white cards? (This does not automatically exclude you from selection; rather, it gives the committee an opportunity to assess growth)

Grade 9 \_\_\_\_\_ Grade 10 \_\_\_\_\_ Grade 11 \_\_\_\_\_ Grade 12 \_\_\_\_\_

If you have received any in the past 3 semesters, please explain the circumstance (use additional paper if needed) \_\_\_\_\_

\_\_\_\_\_

**C.** Please ask **one employer** OR a **supervisor of a community service activity** if you have never been employed plus a **class sponsor** OR an **organizational sponsor** to complete and return to you one of the attached references. Please attach completed references to this document and turn all material in to NHS Sponsor by due date.

**D.** Essay requirement: ***please take this portion seriously!!***

A well-written essay is a reflection of the character, intelligence, and performance of its author. Therefore, it is possible to not be selected for membership if the essay does not reflect well on the level of scholarship expected of an honor student.

On a separate sheet of paper, submit a 1 to 1 ½ page, double-spaced (no larger than 12 font) essay entitled: “Character vs. Culture”. Reflect about a time when you had to make a moral decision that ran counter to the mores of your subculture. This could be a time you “failed” and made a decision counter to your own beliefs. How was your sense of morality and/or values challenged? What questions about your belief system did you have to answer and how did you go about answering these questions/challenges? What thought process did you go through to make your moral decision?

**5. OTHER AREAS TO SUPPORT SELECTION:**

Cocurricular activities and work experience as well as honors and awards can assist the Committee in the selection process by rounding out your areas of experience and time commitments. These are activities which can show character, leadership, and/or service but which do not neatly fit into one of those categories. List all activities in which you have participated during your high school years such as musical groups, clubs or publication groups, teams, etc. List any job experiences you have or have had. Honors and recognitions received are also important to list.

## COMMITMENT TO ACTIVELY PARTICIPATE

Selection into the Alma L Campbell chapter of the National Honor Society is a privilege which brings with it opportunities and responsibilities—opportunities to continue growing in the four arenas and the responsibility to participate in various events, activities and programs. Please be advised that your selection is predicated in part on your active assumption of the responsibilities which form the core of the organization’s yearly activities, AND your *ongoing* commitment to actively give precedence to your NHS obligations including those which occur on evenings and weekends, and occasionally, during a student’s regular working hours. All members are expected to faithfully and consistently participate in these organizational activities, and to serve in various capacities within the context of the organization. Therefore, it is expected that necessary arrangements be made as needed. Essentially, the NHS seeks to serve, and it is expected that you, too, will seek to serve, more than minimally, wholeheartedly, cheerfully, and faithfully.

While we do not know all of the events and the specific dates, the following is a PARTIAL list of the types of programs and activities you will need to plan on assisting with:

- |   |                                     |
