CENTER FOR INTENSIVE ENGLISH PROGRAMS
Dianne L. Staples, Director
Andrews University English Language Institute (AU-ELI)
AU-ELI offers an intensive English Language study program to help students whose native language is not English develop the academic skills needed to succeed in their degree programs. It is designed to improve the understanding, speaking, and writing of English through the study of reading, grammar, vocabulary building, composition, and oral and aural practice. Classes are offered at the beginning, intermediate, and advanced levels. A student entering ENGL103, the Intermediate I level, must have a TOEFL score of at least 450 or a MELAB score of 63. Since this also allows potential acceptance into a regular academic program, a student must provide current (within the previous 12 months of the anticipated entry date) documentation for the TOEFL or MELAB.
In ENGL102, 103, and 104 a student enrolls in ELI classes only. In ENGL105 and 106 a student may be allowed to take regular college-level courses along with ELI classes. The number of courses is determined in consultation with the director of the English Language Institute, based on the student's test scores. A student who achieves a minimum score of 55 (TOEFL) or 80 (MELAB) in a skill area is exempt from taking the relevant AU-ELI course.
A student enrolled in ELI is released from the English Language program upon achieving one of the following levels of English proficiency (although some departments may require higher scores):
1. A TOEFL score of 550 (with no section score lower than 52)
2. A MELAB score of 80 (with no section score lower than 77)
3. Completion of ENGL106 with at least a B in all ELI sections

ACTION AMERICA offers short-term intensive language study, combined with cultural and professional experiences and travel, for non-credit students. Participants must be at least 16 years old and must acquire a visitor’s visa for entry into the United States.
