**Mission.** The Department of Management, Marketing, and Information Systems of the School of Business prepares students for the challenge of working with people in for-profit and not-for-profit organizations, serving world-wide within the Seventh-day Adventist Church organization and in small business operations and large corporations.  
Intellectual, spiritual, physical, and social development, built on a solid foundation of ethics and cross-cultural understanding, is the goal of the educational endeavors of the department.

**MANAGEMENT**

Management is a broad-based discipline. The faculty offers courses for students who desire either a specific business emphasis within management or a general business degree. Most management graduates enter into an internship or training program where they can integrate their general business skills with specific job responsibilities. All management majors must obtain a C+ minimum grade in ACCT111,112,113 and a B minimum grade in BSAD355.
