The department provides students with communicative competence in a second language, promotes a greater understanding of and appreciation for the significance of language in human interaction, fosters interest in other cultures, and encourages intellectual development through enhanced cognitive and analytical skills.

The department offers many opportunities for language students to enhance an appreciation of other cultures and to develop fluency in the use of another language by participating in the Adventist Colleges Abroad (ACA) programs, language clubs, the National Language Honor Society, and ethnic church activities.

Students wishing to study French or Spanish should attend one of the following campuses:

BA: Language for International Trade—50
This program integrates the study of international languages and cultures with preparation in international trade and business. The objective of this major is to prepare students for international careers with the necessary business and language skills. Students in French or Spanish participate in an internship in a business/industrial work environment either in the U.S. or abroad where French or Spanish is spoken. Students may take examinations leading to certification in Business French or Spanish. See details below. The major consists of study in the following three areas: (1) specialized studies in language, (2) business and economics, and (3) required cognates.

BA and Bachelor of Business Administration: Language and International Business—145
This joint degree in language and international business (LIB) is a double degree for undergraduates planning to enter a career in international business. The LIB-joint degree provides students with both practical, on-site work experience and a thorough academic background in international affairs.

Students in the language and international business program receive two separate but integrated degrees: a Bachelor of Business Administration with a major in management and a Bachelor of Arts in language for international trade. The language for international trade major trains students in French or Spanish language and culture for business and professional positions. Students additionally may take examinations leading to certification in business French or Spanish.

All LIB-joint-degree students participate in an internship in a business/industrial work environment. The goal is to place qualifying students abroad where they can use their language and business skills in an international professional environment. Students who do not go abroad are placed regionally and work one or two quarters for an employer in a staff support or administrative capacity.

The program is designed so that students can complete the 145-credit program in 10 semesters.

CERTIFICATION IN BUSINESS SPANISH

Anders University is an approved examination center of the Paris Chamber of Commerce. Students may take the Certificat Pratique or the Diplome Superieur de la Chambre de Commerce et d’Industrie de Paris at Andrews University. This French certification, identical to the one taken in France, is highly respected in the United States, Canada, France, and Europe. Students who succeed in obtaining the Certificat Pratique or the Diplome superieur will be able to handle basic business tasks in a French setting.

CERTIFICATION IN BUSINESS SPANISH
LANGUAGE MINORS

Minors are offered in French or Spanish. Students must take 21 credits—12 credits from 300 or 400 level courses. A minor in French or Spanish may complement any Bachelor of Arts or Bachelor of Science degree.

All French or Spanish minors (except for native speakers or candidates who have spent an extended period of time in a French-speaking or Spanish-speaking country) are required to attend a summer or an academic year quarter at the Adventist Colleges Abroad program at the Centre Universitaire et Pédagogique du Salève, Collonges, France, for French; and the Colegio Adventista de Sagunto, Spain, or Universidad Adventista del Plata, Argentina, for Spanish.

ADVENTIST COLLEGES ABROAD PROGRAM

Andrews University, as a member institution, participates in the Adventist Colleges Abroad (ACA) program which gives American students an opportunity to enhance their ability to use a foreign language and to experience a foreign culture while completing the requirements for a baccalaureate degree in the regular 4-year period without losing credits or extending their courses of study.

The Adventist Colleges Abroad program offers a wide variety of courses in composition, phonetics, reading, literature, folklore, culture, business, and civilization. Other courses may be taken to fulfill General Education requirements. In addition, students participate in on-site guided field trips of geographic, historic, or economic significance.

Admission Requirements

- Admission as a student at Andrews University.
- Competence in the language at the intermediate level is recommended. However, applicants with two to three years of secondary or one year of elementary-level college language study may be admitted.
- GPA of 2.5 in the language and 2.00 overall.
- Good citizenship record
- Completion of ACA application with all required information and signatures (academic and financial arrangements).

Fulfilling Major/Minor Requirements

Adventist Colleges Abroad students with majors or minors in a language are encouraged to take the required conversation, composition, civilization, and literature courses at the upper division level while studying abroad if their level of proficiency enables them to do so (see major requirements). Upon their return to Andrews University, students must take in residence the following minimum number of credits:

- For a language major: 12 upper division credits
- For a language minor: 6 upper division credits

These requirements apply to all students who spend a full school year abroad, including transfer students. Students should take a normal load of 16 credits each quarter or 12 credits per semester. Students also are encouraged to take as many General Education courses as possible.

Adventist Colleges Abroad Summer Program

offers students an opportunity to take, during a six-week session, beginning-, intermediate-, or advanced-level courses in the following languages:

- Chinese (Mandarin) Southeast Asia Union College, Singapore
- French Centre Universitaire et Pédagogique du Salève Collonges-sous-Salève, France
- German Seminar Schloss Bogengenhofen, St. Peter am Hart near Braunau Austria
- Greek Athens Study Center, Athens, Greece
- Hebrew Jerusalem Center, Israel
- Italian Instituto Avventista Villa Aurora Florence, Italy
- Portuguese Instituto Adventista de Ensino São Paulo, Brazil
- Spanish Colegio Adventista de Sagunto, Valencia, Spain

In addition to language study, students participate in on-site guided field trips of geographic, historic, or economic significance.

Language Honor Society

The local Beta Kappa chapter of Alpha Mu Gamma, the national collegiate honor society for foreign languages, gives recognition to outstanding students.

Language Requirements for General Education

Students who wish to have the language requirement waived (with or without credit) by passing a proficiency exam should apply at the Department of International Language Studies. Languages other than French or Spanish may be accepted if the language represents a culture with a corpus of literature. The proficiency of that language at the intermediate level must be documented with transcripts of completed secondary or college studies. Native speakers with no such transcripts may demonstrate their proficiency at the intermediate level by examination with a native speaker on the Andrews University faculty member or qualified graduate student contacted by the Department of International Language Studies. The examination will reflect the student performance outcomes expected at the intermediate level in the four language skills of reading, writing, listening, and speaking according to the American Council of Teaching Foreign Languages (ACTFL) guidelines. Upon written approval by the native speaker—an Andrews University faculty member or qualified graduate student—the Department of International Language Studies will grant up to 12 credits per language examined. See p. 45 for fees for Language Proficiency exams.

Preparation for Teaching

Students preparing to teach French or Spanish at the elementary or secondary level must qualify for teaching credentials as outlined in the School of Education section of this bulletin. The program leading to the Master of Arts in Teaching (MAT) degree in French or Spanish is described in the School of Education section of this bulletin.

Bilingual Teacher Education

For details regarding the need for and preparation of certified bilingual teachers, see particulars in the English Department section of this bulletin.

Graduate Program

Master of Arts in Teaching

The Department of International Language Studies cooperates with the School of Education in offering the Master of Arts in Teaching degree to prepare teachers of French or Spanish for secondary schools.

Prerequisites

Admission to the program is open to applicants who earn a minimum of 20 semester credits in French or Spanish or equivalent. Deficiencies in the applicant's undergraduate program will necessitate additional course work. Since the graduate courses are usually conducted in the target language, it is imperative that the students comprehend and speak the language.

Degree requirements

In addition to the general requirements for the MAT stated in the School of Education section of this bulletin, the following departmental requirements should be noted: For those entering the program with a major (30 semester hours), a total of at least 12 credits (language, literature, culture, or business) in French or Spanish is required, including a minimum of 6 credits at the INLS300-level. For those admitted with a minimum of 20 semester credits, a total of at least 18 credits (language, literature, culture or business) in French or Spanish is required, including a minimum of 6 credits at the INLS300-level.
