Therefore, students must apply for financial assistance well in advance of the time of need to assure proper consideration. Contact Student Financial Services by any one of the following methods.

INSURANCE

Rates
Single student premium (approximately) * $688
Family premium (approximately) * $2,475
* Rates reflect 2001-02 school year. Subject to change for 2002-03 school year.

Sickness/Accident. Every international student in “student status” and every other student registered for 6 or more credit hours is to be covered by at least an Accident and Illness Plan. This may be purchased through the university by signing up on-line in Registration Central. International students are required to include all dependents that are here in the U.S. and there is an additional fee for each dependent added. Dependents can only be added to the policy for up to 31 days and any dependents added after the 31-day deadline will be signed up for the following semester. Payment for this coverage can be charged to the student’s account. The insurance is non-refundable after the drop/add date.

Waivers. Students who have proof of comparable coverage from elsewhere may waive the insurance plan by entering their insurance information in Registration Central.

Brochures. Information describing the insurance coverage is available at the Student Employment/Insurance Office in the Administration Building.

The Premium is charged to the student’s account via information entered in Registration Central. A waiver may also be entered by the student in Registration Central, if they have comparable coverage. Michigan Medicaid is considered proof of insurance for U.S. citizens and Permanent Residents and should be entered into the waiver section of Registration Central. The only difference is that the student will be required to bring their current blue Medicaid card to the Student Insurance/Employment Office in the Administration Building for verification of current coverage. This must be done for each registration period that the student is enrolled in school. If proof of current Medicaid is not provided, refund on the student insurance is not available after drop/add date.

International students are required to have insurance irrespective of their class load.

MISCELLANEOUS MONEY MATTERS AND GENERAL FEES

Students have two types of expenses while attending the university—educational (tuition, books, insurance and fees) and living (housing and meals).

The university makes every effort to maintain the costs published in this bulletin. The university reserves the right to make changes as necessitated by unexpected increases in costs. Such changes are announced in advance of the semester in which they become effective.

Additional Costs. In addition to tuition, room, and food service, plan on funds to cover books, supplies, transportation, health insurance, and other personal expenses. These additional costs must be provided for each semester. Charges are generally billed during the first month of each semester. The checks will be mailed to the address the student has written on the request form. Checks will only be issued from credit on the account when the check is requested. Students should monitor their credit balance carefully since funds from a future semester are not available until the funds are available to withdraw.

INTERNATIONAL STUDENTS

Advance Deposit. Applicants attending the main campus from outside the United States and Canada must make an advance deposit of $2,000. This deposit must be sent with a notarized affidavit of support for all personal funds and/or sponsorships. The deposit must be paid in cash. No university scholarships may be applied to pay the deposit.

Resource Verification. Bank documentation covering twelve (12) previous months is required to prove financial ability to sustain educational expenses. This documentation must be sent to the university directly from the bank. Sponsors and others who are cited as providing support will be required to sign an affidavit of support and may be required by INS to provide documentation of such support through appropriate income tax returns. Applicant must demonstrate adequate financial support for the duration of the program for which the student is applying.

I-20 Form. Once the deposit, payment of first semester expenses, and resource verification are received and accepted, the university authorizes the issuance of an I-20 Form to secure a United States Student Visa.

The International Student Services Office will provide an agreement outlining Andrews University and INS requirements and conditions of acceptance to the university and studying in the United States. The student will be required to sign this agreement along with one or more of the following: sponsor, spouse, parent(s).

Deposit Allocation. The $2,000 deposit is held until the student’s enrollment at Andrews University is terminated. This deposit is not available to cover registration expenses; however, the deposit earns interest during the time the student is enrolled.

Deposit Refund. The $2,000 plus interest is refunded when the student’s enrollment is terminated; alternatively it can be used as partial payment for the final semester of registration. International students do not get a discount on their deposit when the deposit is used to pay tuition costs.

Payment Plan. For first-year undergraduate international students, the entire Andrews Partnership Scholarship will be applied in the second semester. For all international students, full payment of expected costs (tuition, room, board, insurance, books, and fees) less any scholarships is required in advance of each semester. In the case of MDiv students, a full year payment in advance will be required.

Arrival to Andrews University Campus. All international students who enter the U.S. on an Andrews University I-20 Form are considered Andrews University students and are expected to report immediately to the International Student Services Office to enroll for the upcoming academic semester. The international student has to study at Andrews University for at least ONE COMPLETE SEMESTER before he/she is eligible to transfer to any other school in the country. If the international student does not come directly to Andrews University and enrolls at another school in the U.S., he/she is responsible to:

1. Return the I-20 Form to Andrews University as it is considered Andrews property.
2. Pay a $175 fee for the work involved in processing and issuing an I-20 Form. This amount will be deducted from their $2,000 deposit.

Church Organization Sponsorships. These sponsorships are for students attending Andrews on a J-1 Study Visa. A written statement must be sent by the treasurer of the division or of the employing organization stating that the organization is responsible for such items as living expenses, tuition, fees, and apartment rent. This statement may be accepted in place of a portion of the required deposit. This authorization must be cleared through the General Conference. All requirements must be met before official acceptance is granted.

TUITION ADJUSTMENT POLICIES

Tuition refunds are given to students who withdraw from school or drop individual courses during the academic semester. These tuition adjustments are based on the date when all the appropriate forms with all the required signatures are completed and filed with the Academic Records Office.
