Students who need help identifying financial assistance for which they may qualify should contact Student Financial Services. INSURANCE

Rates
Single student premium (approximately) * $690
Family premium (approximately) * $2,000
* Rates reflect 2003-04 school year. Subject to change for 2004-05 school year.

Accident/Sickness. Every international student in “student status” and every other student registered for 6 or more credit hours is to be covered by at least an Accident and Sickness Plan. This may be purchased through the university by signing up online in Registration Central at registration time. International students are required to include all dependents that are here in the U.S. and there is an additional fee for adding dependents. Payment for this coverage can be charged to the student’s account. The insurance is non-refundable after the drop/add date.

Waivers. Students who have comparable coverage from elsewhere may waive the student insurance plan by entering their insurance information in Registration Central at registration time.

Brochures. Information describing the insurance coverage can be viewed at www.andrews.edu/HR/stu_insurance.html or at the Student Insurance Office in the Administration Building.

The Premium is charged to the student’s account via information entered in Registration Central. A waiver will prevent this charge from occurring (see Waivers above).

Medicaid. Michigan Medicaid is considered proof of insurance for U.S. citizens and Permanent Residents and should be entered into the waiver section of Registration Central at registration time. The only difference is that the student will be required to bring their current Medicaid card to the Student Insurance office in the Administration Building before drop/add date for verification of current coverage. This must be done for each registration period that the student is enrolled in school. If proof of current Medicaid is not provided, the student will be charged for the student insurance and the charge will be non-refundable.

Note: Medicaid from any other state will not be accepted as proof of insurance.

International students are required to have insurance irrespective of their class load.

MISCELLANEOUS MONEY MATTERS & GENERAL FEES

Students have two types of expenses while attending the university—educational (tuition, books, insurance and fees) and living (housing and meals).

The university makes every effort to maintain the costs published in this bulletin. The university reserves the right to make changes as necessitated by unexpected increases in costs. Such changes are announced in advance of the semester in which they become effective.

Additional Costs. In addition to tuition, class fees, lab fees, room, and food service, plan on funds to cover books, supplies, transportation, health insurance, and other personal expenses. These additional costs must be provided for each semester. Charges are generally billed during the first month of each semester. All other personal and miscellaneous expenses are handled on a cash basis.
Alternative Loans. Andrews University Student Financial Services includes all awarded financial aid (such as loans, etc.) as resources to determine alternative loan eligibility.

**Application Fee**
- Undergraduate non-refundable $30
- Graduate non-refundable 40

**Auditing a Class.** The cost of auditing a class is the same as the cost of enrolling for credit.

**Carrying Charge.** 1% per month is charged on all unpaid account balances. The carrying charge is based on the previous month’s principal balance less all credits during the current month.

**Cash Withdrawal.** Andrews University is unable to serve as a bank for students. Sometimes students have a credit balance on their student account they need to withdraw to pay living or education expenses. Students may request a cash withdrawal at the front desk in Student Financial Services. A maximum of three cash withdrawals may be requested during an academic term. The maximum dollar amount per cash withdrawal is $300. Cash withdrawals are not available by credit card. Cash withdrawals will not be paid on monies anticipated in a future term. The student must present a current AU student ID or valid driver’s license for release of funds.

**Change of Registration** $18
Dropping/adding a course, changing from credit to audit, or from audit to credit after the “last day to enter any class” as published in the academic calendar, will be assessed a fee.

**Club Dues.** Clubs approved by Student Services may charge club dues to student accounts only during September and January. Appropriate forms with required information are turned in to Student Financial Services.

**Credit Balances** on student accounts may be withdrawn by or at the direction of the person responsible for the student's account after the final statement is issued—usually thirty days after the last day of school.

**Credit Card Payments** will be accepted to pay account balances, but cannot be accepted for a student to make a cash withdrawal from his/her student account. MASTER OF DIVINITY PROGRAM
The registration fee is due on or before each semester’s registration. Any credits (over 16) are charged at the regular per-credit master’s tuition rate.

Approved courses taken outside the Seminary are charged at the established tuition rate. In some cases the student may request a 50% discount. A per-credit Recording Fee is charged by the university for Clinical Pastoral Education (CPE) credits earned in approved centers not connected with a graduate-level school. See the Seminary chaplain for further information about this program.

INTERNATIONAL STUDENTS
Advance Deposit. Applicants attending the main campus from outside the United States (except Canada and Mexico) must make an advance deposit of $2,000. This deposit must be paid in cash. No university scholarships may be applied to pay the deposit.

Deposit Allocation. This deposit is not available to cover registration expenses; the deposit earns interest during the time the student is enrolled. The deposit plus interest is refunded when the student’s enrollment is terminated; alternatively, it can be used as partial payment for the final semester of registration. International students do not get a discount on their deposit when the deposit is used to pay tuition costs.

Resource Verification. Bank documentation as well as other forms of financial documentation are required to prove ability to support one’s educational expenses. This documentation must be sent to the university directly from the bank. Sponsors in the USA will be required to sign an affidavit of support. In addition, the applicant must demonstrate adequate financial support for the duration of the program for which (s)he is applying.

I-20 Form. Once the deposit and resource verification are received and accepted, the university authorizes the International Student Services Office to issue the I-20 Form for the purpose of securing a United States student visa.

Payment Plan. For first-year undergraduate international students, the entire Andrews University Partnership Scholarship will be applied in the second semester. For all students, full payment of expected costs (tuition, room, board, insurance, books and fees) less any scholarships and loans is required 45 days in advance of each semester (Fall semester payment is due July 15; Spring semester payment is due December 15).

After receiving the I-20 Form, it is often advantageous for the international student applicant to then make payment for the first semester’s tuition and fees (the specific amount will be communicated to each student, and will be based on the student’s area of study and living arrangements), and to use the receipt for that payment as part of the formal student visa application process in the home country.

Arrival to Andrews University Campus. All international students who enter the U.S. on an Andrews University I-20 Form are considered Andrews University students and are expected by law to report immediately to the International Student Services Office in preparation to enroll for the upcoming academic semester. The international student has to study at Andrews University for at least one complete semester before he/she is eligible to transfer to any other school in the country.

General Conference Sponsorships. International students could also come to study in the United States of America on an Exchange Visitor (J-1) Visa. Andrews University enrolls such students when the General Conference takes the financial and legal responsibility in issuing the “DS2019” document. The General Conference is authorized by the Department of State to issue this document. Therefore, the General Conference is responsible for all the students who come on J-1 visa status.

TUITION ADJUSTMENT POLICIES
Tuition refunds are given to students who withdraw from school or drop individual courses during the academic semester. These tuition adjustments are based on the date when all the appropriate drop forms with all the required signatures are completed and filed with the Academic Records Office.

Fall and Spring Semester adjustments

70% 11th–17th calendar day
40% 18th–24th calendar day

Summer Session adjustments
100% 1st–3rd calendar day
50% 4th–10th calendar day
0% 11th–last day of term

Courses with Special Schedules. When courses are scheduled for irregular periods of time, adjustments are based on the ratio of the length of the course to the length of the academic period for that course.

Financial Assistance Adjustments. Federal and State regulations require the university to return a portion of any refund adjustment made affecting the program(s) involved when a student drops any classes or withdraws from school after receiving financial assistance under any Federal Title IV program (other than Federal Work-Study). Refer to p. 66 for Financial Aid Refund Policy.
