With authorization from the North Central Association of Colleges and Schools and other controlling organizations, the various schools of the university have entered into official academic affiliation/extension arrangements with certain educational institutions in North America and abroad. The programs range from academic monitoring of existing institutional programs to using institutions as extension campuses or examination centers for graduate and undergraduate education, with degrees being conferred upon students at the next official Andrews University graduation at the main campus and after completion and verification by the Records Office of all degree requirements. The affiliation/extension programs vary from courses offered in a variety of disciplines to full degree programs.

The Affiliation and Extension Programs Committee authorizes and reviews all university policies related to such affiliations and extensions. The administrative and academic committees charged with academic quality control and relevant policy development also govern the extension programs. Financial policies as described in this bulletin are applicable to extension programs in North America. All credits earned in Andrews extension programs are valid on the Andrews campus or any accredited extension campus. Once accepted into an Andrews program, students may transfer between home and extension campuses.

AFFILIATION/EXTENSION PROGRAMS

Undergraduate
Undergraduate affiliation and extension programs are offered at Caribbean Union College, Trinidad; at Columbia Union College, Maryland; and at Newbold College, England. Andrews University confers approved associate and baccalaureate degrees on those students who have fulfilled admission, academic, and program requirements at these centers.

Graduate
Graduate affiliation and extension programs are offered in a number of disciplines by the various schools of the University. The School of Business offers the MBA degree in Trinidad and Portland. The School of Business is a unit of Andrews University and is authorized by the State of Oregon to offer and confer the Master of Business Administration degree as described in this bulletin, following a determination that State academic standards will be satisfied under OAR 583-030. Inquiries concerning the standards or school compliance may be directed to the Office of Degree Authorization, 1500 Valley River Dr, Suite 100, Eugene, OR 97401.

The School of Education offers the MA Education degree at Andrews University co-sponsors Adventist Colleges Abroad—a program in which qualified students study overseas while completing requirements for graduation at Andrews. This language and cultural immersion is available in nine locations: Argentina, Austria, Brazil, France, Greece, Italy, Singapore, Spain, and Taiwan. Participation is not limited to language majors. Contact the chair of the Department of International Language Studies for further information.

Undergraduate students may study abroad in the Andrews University Year in England at Newbold College program. The purpose of this program is to allow students to participate in a culturally enriching academic experience. Information about this program can be secured by writing Newbold College or contacting the Director of Affiliation and Extension Programs at Andrews University. Students should make application directly to the Admissions Office, Newbold College, Binfield, Bracknell, Berkshire, England RG42 4AN.

OTHER INTERNATIONAL EDUCATIONAL OPPORTUNITIES

The Seventh-day Adventist Theological Seminary offers the MA in Pastoral Ministry at Babcock University, Nigeria. In North America, the Seminary offers the MA in Pastoral Ministry degree and courses toward the Master of Divinity and Doctor of Ministry degrees at several locations.

In addition, the University offers the interdisciplinary, interschool MSA degree (International Development) at two sites: Italy and Kenya.

The university is concerned with educating the whole person—mentally, physically, spiritually, and socially—based on the philosophy of Adventist education. It recognizes that one’s career can neither be complete nor balanced without ample provision for spiritual, cultural, and social needs. Therefore, many activities not directly related to the instructional program are available. Each student has an opportunity to take part in those of his/her special interest.

STUDENT HOUSING

Andrews University offers several choices of living quarters to meet students’ needs.

Residence Halls. The university maintains two men’s residence halls (Meier Hall and Burman Hall) and one women’s residence hall (Lamson Hall). Double-occupancy rooms are standard. Private occupancy is permitted by special request, if space allows, for an additional fee.

APARTMENTS AND HOUSES FOR RENT

The university owns approximately 300 apartments and 37 houses. These are available to married students and single-parent students. Efficiency apartments in the Garland complex are available to single graduates or single undergraduates who are 22 years of age or older. Accommodations are available only to those who have been officially accepted as university students. Since apartments are limited, applicants are advised to apply six to nine months before their first semester of studies.

Most apartments are furnished. Tenants must supply their own linen, draperies, and kitchen utensils. Unfurnished apartments have a stove and refrigerator. Heavy furniture and pianos may be placed in the apartments only by prior arrangement with the Family and Graduate Housing director. Pets are not allowed in university apartments or houses. The apartment descriptions, rental rates, and application forms are available upon request. Further information on university housing may be obtained through the Family & Graduate Housing Handbook available from the Family & Graduate Housing office. Please visit the web site at www.andrews.edu/HOUSING for applications and further information.

Other Accommodations. Some area landlords have their names and phone numbers on record at the Family & Graduate Housing office. Students may consult or copy this list.

RESIDENTIAL LIVING POLICY (2006–2007)

1. Andrews University is operated as a residential college on the undergraduate level. This means that the residential environment plays a significant role in the mission of the University and its efforts to foster the development of each student as a whole person.
2. Therefore, all single undergraduate students who are under 22 years of age and taking seven or more credits are required to live in one of the University residence halls.
3. Students are eligible for community living at the beginning of the semester in which they turn 22 years of age.
4. Costs associated with residence hall living are part of the investment in an Andrews University education, thus the Office of Student Services does not make exceptions on the basis of financial need.
5. The ONLY alternative to residential living on campus are those listed below:
   a. Freshmen, Sophomores, Juniors and Seniors living full-time with parents within a 45-mile radius of the University under the terms and conditions of a signed and approved Community Residential Agreement.
   Please note: Parents must provide a copy of their current Michigan or Indiana driver's license with a matching local address (to that of the student) as proof of community residency.
   b. Juniors (completed 57–86 credit hours) and Seniors (completed 87 or more credit hours) living full-time with a current Andrews University faculty or staff family within a 45-mile radius of the University under the terms and conditions of a signed and approved Community Residential Agreement. These students must also submit a Parental Letter of Support.

6. PLEASE NOTE the following conditions of this policy:
   a. To be eligible for community housing, students must be in good and regular standing and evidence a willingness to abide by the expectations of Andrews University at the time of application.
   b. Students living in community housing are expected to abide by the standards and codes of conduct outlined in the Student Handbook.
   c. Under the terms of the Community Residential Agreement, parents and heads of faculty/staff households must notify Student Services of any concern that impacts the welfare of the student, irregularities, changes of address, conduct concerns, etc.
   d. If at any time, the terms and conditions of the Community Residential Agreement are not met, the student will immediately lose eligibility to live in the community.
   e. Re-application for living in the community and approval of the Community Residential Agreement must be made each school year.
   f. Signatures of parents or heads of faculty/staff households must be made in person at the Student Services Office.

6. PLEASE ALSO NOTE the following definitions of terms used in this policy:
   a. A "parent" is a biological parent, legal step-parent, or legal guardian. Grandparents, aunts, uncles, or older siblings 22 years or older may also be allowed, under certain circumstances and at the discretion of Student Services, to assume a parental role. In such cases, a Parental Letter of Support must also be submitted.
   b. A "full-time Andrews University faculty or staff family" must agree to 1) serve as a student's guardian and 2) share household facilities with a student as a "member" of their family (the student may NOT live in a separate apartment or basement apartment with a different entrance).

MOTOR VEHICLES

Any student who is not on citizenship probation and who meets the requirements for vehicle registration, licensing, and insurance as outlined below and as specified in the motor-vehicle regulations is allowed to own and operate a motor vehicle.

Vehicle Registration. All motor vehicles must be registered with the Campus Safety Department within two weeks after the vehicle is brought to the campus or after it is acquired. Decals, issued when a vehicle is registered, must be affixed within 24 hours after being issued. Failure to register a motor vehicle within the specified two weeks and failure to display properly the decal after it has been issued may result in a fine.
Auto Licensing. An understanding exists between most state governments to the effect that bona fide students, not locally employed, attending an out-of-state accredited or recognized school may use their home state license plates and operating license during the period of their attendance at such an institution. State license plates and operating licenses may be renewed during attendance if necessary.

Auto Insurance. All vehicles must be covered with public liability and property damage insurance. The insurance must remain in effect as long as the vehicle is in the university community. Expiration or cancellation of insurance automatically revokes motor-vehicle registration and privileges. All vehicles must be maintained in legal operating condition at all times. Regulations governing the use of motor vehicles are described in the brochure, Student Right-to-Know Report, available from the Campus Safety Office.

Students who receive any pay from local employers must register their motor vehicles and obtain a Michigan driver’s license and license plates.

FOOD SERVICE

Food service facilities are located in the Student Center. The Terrace Café (cafeteria on the upper level) has three dining rooms—Badger, Lincoln, and Wolverine—which seat approximately 600 people. The Gazebo (snack bar on main level) provides fountain grill service. All food in the Gazebo and Terrace Café is vegetarian.

MEDICAL SERVICES

Required Medical Records. Michigan State Law requires all first-time students to supply certain medical records to the school of their choice before registration can be completed. The required records are those for (1) Tuberculosis Screening and (2) Measles, Mumps, and Rubella (German Measles) Immunization (MMR). See the admission section of this bulletin for detailed requirements.

Available Medical Care. For health needs students may contact University Medical Specialties, located next to the Apple Valley Plaza. Phone 473-2222 during office hours (8 am–5 pm, Monday–Thursday, and 8 am–12:00 noon, Friday) to schedule appointments.

Physician appointments and nurse visits, as well as most short-term medications, are available to residence-hall students. These services are included in the rent/health plan and are not charged separately to the student. However, charges are made for lab work, X-rays, and accident cases involving third-party liability.

Non-residence-hall students living in the apartments or off-campus housing may also use University Medical Specialties for a fee.

For emergencies outside of regularly scheduled office hours, students may reach a physician at 473-2222.

HEALTH-RELATED CONCERNS

Insurance—Sickness/Accident. Every international student in "student status" and every other student registered for 6 or more credit hours is automatically covered by an Accident and Sickness insurance plan by filling out an enrollment card. The payment for this coverage is charged to the student’s account the same as tuition and is non-refundable. Students who have proof of the same kind of insurance coverage elsewhere may waive the university plan by presenting a copy of their insurance card or a letter from an employer verifying coverage, and by signing a waiver card at registration. Coverage for a student’s spouse and dependent children is also available for an additional fee. All students from outside of the United States must cover dependents who accompany the student to the States. A brochure describing the insurance coverage is available at the Student Insurance Office in the Administration Building. Students will note that this is minimal coverage and may want to consider purchasing additional personal coverage.

Counseling and Testing Center. The Counseling Center is the primary mental health care facility for the university, serving as a supportive medium aimed at enhancing the positive and learning university environment, as it provides timely and comprehensive short-term counseling to university students and their spouses. Its staff is committed to utilizing all available resources in the delivery of services which include personal, group, pre-marital, and marital counseling, career development, outreach and consultation, teaching and research, training and supervision. The center endorses a wholistic approach in working with students, by facilitating the integration of the emotional, spiritual, physical, and social qualities of the individual.

The Counseling Center is fully accredited by the International Association of Counseling Services (IACS), and serves as a training facility for graduate counseling interns and advanced doctoral students. Career exploration and counseling services are offered to enrolled students at no charge. Psychological testing and career assessment are provided for a nominal fee.

SPIRITUAL LIFE

Campus Ministries. Located in the Campus Center, Campus Ministries supports three main areas: Inreach (on-campus ministry), Outreach (local off-campus ministry) and Student Missions. Recently Campus Ministries has been privileged to take steps to raise the level of support for ministry on campus. A recently renovated space allows for the growth of new ministries. It also serves as a place for the planning of improvements to existing ministries such as Fusion Vespers, AU OurREACH-Benton Harbor, and short-term mission trips to places like Honduras and Peru. Every year, Campus Ministries sponsors the Easter Passion Play, a walking depiction of Christ’s last moments on this earth with a climactic concluding scene, the resurrection of Christ. Not only does Campus Ministries support large events such as the Easter Passion Play, but they also encourage new ministry growth. Students make ministry happen! Realizing that we are all given different gifts, they invite students to seek God’s plan for their lives through ministry involvement.

Chapel and Worship Services. Students are required to attend the regularly scheduled chapel and assembly programs. Residence-hall students are required to attend residence-hall worships. All students are encouraged to participate in worship services and to consider these appointments an integral part of their curriculum. The University Chapel for undergraduate students meets at 10:30 a.m. in Pioneer Memorial Church (PMC) on Thursdays. The University Student Forum meets Tuesdays at 10:30 a.m. in Johnson Gym unless otherwise announced. Seminary chapel also meets on Tuesdays at 10:30 a.m. in the Seminary Chapel. Seminary students are required to attend chapel as well as weekend worship services. Other graduate students are urged to participate in chapel services in Pioneer Memorial Church, the Seminary Chapel, Graduate Sabbath School, or specially scheduled graduate-student chapels.
The university interprets the presence of a student on campus as an undergraduate application which must be signed by each student.

The expected standard of conduct is described in the Handbook. Profanity or vulgarity; possessing lewd or obscene materials or alcohol; engaging in activities at bars, taverns, or other places of questionable entertainment; engaging in dishonesty; sexual immorality, physical and sexual assault; theft, vandalism; patronizing night clubs, dances, bars, taverns, gambling places, parties/places of residence where alcohol is served, and other places of questionable entertainment; profanity or vulgarity; possessing lewd or obscene materials or firearms; or engaging in improper associations, fraternities or sororities are not allowed and may be cause for suspension or dismissal.

The list that follows is not comprehensive, but provides examples of matters that will result in serious consequences:

The use or possession of tobacco, alcoholic beverages, illegal drugs or dishonestly acquired or misused prescription drugs; indulging in dishonesty; sexual immorality, physical and sexual assault; theft, vandalism; patronizing night clubs, dances, bars, taverns, gambling places, parties/places of residence where alcohol is served, and other places of questionable entertainment; profanity or vulgarity; possessing lewd or obscene materials or firearms; or engaging in improper associations, fraternities or sororities are not allowed and may be cause for suspension or dismissal.

The expected standard of conduct is described in the Student Handbook and in the Citizenship Agreement segment of the undergraduate application which must be signed by each student prior to registration. Students may obtain a copy of the handbook at the Student Services office (or online at www.andrews.edu/SS). Any regulation adopted and published by the administration and announced to the students has the same force as regulations printed in official publications.

Student Records. Within certain limitations, enrolled students of Andrews University may inspect their official records upon request at the following offices: Academic Records, Human Resources, Student Financial Services, Student Services, Counseling and Testing Center, departments of instruction, and the University School. The full policy that governs student records and access to them is available in the Student Handbook.

Student Review of Educational Records. It is the policy of the university that students may inspect and review their educational records and may, if they believe the records are incorrect, seek to have the records corrected through appropriate review procedures. Students who wish to review their academic records should set up an appointment through the Academic Records Office. Students wishing to review their student life records should make an appointment with the Student Services Office.

Releases to Third Parties. In accordance with the Family Educational Rights and Privacy Act, Andrews University limits disclosure of educational records or personally identifiable information without the student’s written consent, except to agencies having a recognized legal need for the information.

The Family Educational Rights and Privacy Act gives institutions the right to define certain classes of information as directory information. The institution does not have to obtain consent from the student to release this information. Therefore, Andrews University has classified the following as directory information: name, local address, local phone number, major field of study, year in college, E-mail address, dates of attendance, degrees or certificates (with dates), scholarships, honors received, awards received.

Students may restrict the release of all items of directory information. A form for requesting such restriction is available at the Academic Records Office.

Andrews University reserves the right to determine the manner in which directory information may be released or to whom it may be released without the consent of the student.

Safety Regulations. Andrews University expects students to develop safe working habits. Students who participate in classes, laboratories, or activities involving situations considered hazardous, as specified by the state or national standards, must provide and wear any such required personal safety equipment.

STUDENT EMPLOYMENT

Eligibility Pre-Employment I-9 Form. Before working on campus, all students (both U.S. citizens and others) must personally have a validation interview with an Employment Officer (Administration Building) at which time the officer and the student will make a joint sworn statement on the appropriate I-9 legal declaration form.

Employment Eligibility Certification. The Immigration Reform and Control Act charges all employers to examine and verify certain documents that establish the employment eligibility of all new employees. New and returning students who have not completed an I-9 for Andrews University work in the past and who plan to seek any employment on the Andrews University campus must supply documents of identity and employability. Some docu-

The Employment Office, which is part of Human Resources, assists students in their on-campus employment needs. The office provides information regarding employment opportunities, assistance with necessary paperwork, administers employment tests and is responsible for updating employment files. The office is located in the Administration Building, Second Floor.

Employment
Telephone: 269-471-3570
Fax: 269-471-6293
Email: Employment@andrews.edu
Website: www.andrews.edu/HR

Students desiring part-time employment must be enrolled full-time (12 undergraduate credits, 8 graduate credits, or 9 Master of Divinity credits) and they must complete the necessary paperwork at the Employment Office.

The University allows students to work, as work is available, up to 20 hours per week during the academic year. To maximize work opportunities, the student should schedule their classes so that large portions of the mornings or afternoons are free. Professional performance and conduct is expected in all on-campus employment.

Employment (International Students). An international student on a non-immigrant F-1 visa is permitted to work on-campus a maximum of 20 hours per week during the school year and full-time during school breaks and vacations. F-1 students can only work off campus with permission from the United States Citizen and Immigration Services (USCIS). Dependent F-2s can’t work on or off campus under any circumstances.

Exchange Visitor (student) on a non-immigrant J-1 visa is allowed to work on or off campus a maximum of 20 hours per week during the school year and full-time during school breaks and vacations. Dependent J-2s are allowed to work after they receive a work permit called the Employment Authorization Document (EAD) from the USCIS.

ACTIVITIES AND ORGANIZATIONS

The university encourages students to participate in as many extracurricular activities and organizations as their study-work loads permit. Experience gained in working with others to achieve common goals provides invaluable training. Some of the more prominent campus organizations and activities are described below. A complete list of campus organizations is available from the Student Services office.

Andrews University Student Association (AUSA) and Publications. The Student Association serves all undergraduate students enrolled at Andrews University for 5 or more credits. It coordinates activities that include the publishing of the Cast (pictorial student directory), the Cardinal (university yearbook), and the Student Movement (university student paper). The editors and managers of these publications are approved by the Student Senate and elected by the members of AUSA. The Senate, composed of about 30 student leaders, exercises legislative and management powers given to it by the constitution of the association.

Student committees—Educational Standards, Student Services,
Social Recreation, and Student Life—are additional activities of AUSA. Details about AUSA and its sub-organizations appear in the Andrews University Student Association Constitution and Bylaws.

**Andrews University Graduate Student Association.** All graduate students enrolled with regular or provisional status in a degree program in all schools and colleges at the Berrien Springs campus of Andrews University are automatically members of the Andrews University Graduate Student Association (AUGSA). The AUGSA assembly includes all AUGSA members and is governed by elected officers who meet regularly and report to the assembly.

The AUGSA sponsors social, spiritual, and scholarly activities during the school year. It may also be involved in university policy development that affects graduate students. Details about AUGSA are found in the Constitution of the Andrews University Graduate Student Association.

**Student Clubs and Organizations.** Numerous campus organizations serve the social, spiritual, academic, and leisure interests of students. Kappa Phi Gamma and Sigma Phi Delta include all women and men, respectively, who reside in college residence halls. Clubs for international and cultural groups, as well as those for commonly held pursuits and causes, provide for the diverse interests of students. Student organizations must be overseen by a full-time staff or faculty sponsor, led by at least three student officers, and guided by an official constitution. Organizations must register each year with the Student Services office in order to function on campus.

**Daughters of the Lord.** The Daughters of the Lord (DOTL) is primarily an organization for the wives of seminary men. Its purpose is to enrich the lives of the women and help them prepare for ministry in partnership with their husbands according to their talents, gifts, and desires. Although the organization focuses on seminary wives, it also encourages participation by faculty women, faculty wives, and students.

**OTHER CAMPUS SERVICES**

Other campus services include a barber shop, a beauty shop, and the university-branch post office.

**IMMIGRATION INFORMATION FOR INTERNATIONAL STUDENTS**

International students on F-1 or J-1 visas (including dependents) who come to study at Andrews University (AU) should be informed about the immigration laws and regulations in matters related to their visa status. It is the responsibility of the international student to maintain his/her student visa status at all times. Failure to follow immigration regulations, whether intentional or unintentional, is a violation of the student visa status. Consequently, the status of the international student would be terminated and he/she must apply to the USCIS to be reinstated back into the legal student visa status or be faced with possible deportation.

The personnel at International Student Services (ISS) consists of the director called the Principle Designated School Official (PDSO) and two other Designated School Officials (DSO). They are appointed by Andrews University and authorized by United States Citizen and Immigration Services (USCIS) to issue and sign legal students’ documents. They are also required to advise international students in areas related to student life on campus such as study, work and travel, etc.

The International Student Services Office communicates information to the international students in matters related to the government laws and immigration by several methods. First, the orientation for new international students is required upon arrival at Andrews University. Failure to attend the orientation program will result in a fine to the student of $75. In addition, they will have to attend a rescheduled orientation program in order to register for the semester. Other means of communication include the AU Bulletin, the international student services website, the Andrews Agenda, ISS newsletter, and email. All international students are required to immediately update the International Student Services Office of any changes in their student visa status, address, change of major, or change of academic level.

**General requirements for maintaining status as international students:**

1. Have at all times a valid passport (except Canadians who travel by land).
2. Come directly to Andrews University and attend the school that issued the I-20 for at least one complete semester.
3. Continue to carry a full course of study.
4. Leave the United States once the courses for the academic program are completed.
5. Apply through the International Student Services office for a new I-20 if it is desired to change programs or to continue for another academic level within the same school.
6. Keep the I-20 (F-1) or DS2019 (J-1) updated at all times.
7. Maintain a legal work permit (on or off campus according to USCIS regulations).

**Tuberculosis Testing:** All international students must submit a negative (clear) TB test prior to admission.

**ATTENDANCE AT ANOTHER SCHOOL**

International students that come to study with an Andrews University I-20 or the General Conference DS2019 should always maintain a full course of study at Andrews University. With an AU I-20, international students may take additional classes from other schools if approved by the academic advisor and the International Student Services office.

The Department of Homeland Security established a new system to track all international students who are admitted to study in the United States. It is called the Student and Exchange Visitor Information System (SEVIS). It is administered by the Student and Exchange Visitor Program (SEVP), a division of U.S. Immigration and Customs Enforcement (ICE). This is a web-based system for maintaining information on international students and exchange visitors in the United States.

**TRANSFER TO ANOTHER SCHOOL IN THE U.S.**

J-1 students who want to change schools or their academic program must first check with their sponsoring organizations. F-1 students who used an I-20 from Andrews University upon initial entrance to the U.S. as a student are required to attend Andrews full-time for a semester before being eligible to transfer to another school. If a student intends to change schools for any reason during the program, or after receiving a degree, he/she must initiate a transfer and obtain a new I-20 from the new school. The transfer instructions that need to be followed are normally given by the new school. Once the receiving school is ready to make the new I-20, the student
should inform the ISS office so that the student’s current legal file can be transferred electronically to the new school.

FULL COURSE OF STUDY

INS requires every student on an F-1 or DS2019 student visa to enroll full-time every semester at the school they are authorized to attend beginning immediately after the report date on the I-20 or IAP-66. Full-time class enrollment is as follows:

- Undergraduate: 12 credits (minimum)
- Graduate: 8 credits (minimum)
- MDiv: 9 credits (minimum)
- English Language Institute (ELI): 12 clock hours (minimum)
- Academy
  - Fall Qtr: 2.0 units (minimum)
  - Winter/Spring Qtr: 1.5 units (minimum)

Audited credits do not count.

Summer semester is a vacation semester for those who start a normal school year. International students do not have to enroll for a lesser course load during summer except if the initial attendance reporting date on the I-20 or IAP-66 is dated for the summer semester. If so, the student must enroll for a full study load during the summer. Additional information is available in the International Student Services office.

1. International students with medical problems must provide a statement from a physician recommending an interruption or reduction in study load.
2. Graduate international students who have completed formal course work and are engaged in comprehensive exam preparation, project, thesis, or dissertation are required to register for such. Thereupon they are considered to be pursuing a full course of study.
3. An international student who registers in his/her last semester for less than the minimum credits required, must present a letter from his/her academic advisor verifying that these are the only credits that the student needs to fulfill all course requirements.
4. An F-1 student engaged in post-completion Optional Practical Training maintains his/her full visa status. A student in F-1 status doing full-time Curricular Practical Training is also considered to be pursuing a full course of study. But if an international student is engaged in part-time Curricular Practical Training or part-time Optional Practical Training, he/she is required to enroll in classes concurrently.

STUDENTS ON EXCHANGE VISITOR VISAS AND THE TWO-YEAR HOME COUNTRY PHYSICAL PRESENCE REQUIREMENT

The two-year home country physical presence requirement is one of the most important characteristics of the Exchange Visitor J status. If the international student is bound by this regulation, it will be stated on the J visa and on the bottom left corner of the DS2019. Exchange Visitors, including their dependents, can apply for a waiver of the requirement to return home for two years upon completion of their studies. Without the waiver, such students are not eligible to change their status in the U.S. to another category. Neither can such students become eligible for any change of status until they have been physically present in their country of nationality or the country of last legal permanent residence for a minimum of two years following departure from the USA.

EMPLOYMENT FOR J-1 AND F-1 STUDENTS

Immigration laws are very strict about employment. International students desiring to work must be sure to comply with these laws. UNAUTHORIZED OFF-CAMPUS EMPLOYMENT CAN LEAD TO DEPORTATION.

J-1 students may engage in two kinds of employment: 1) academic training related to the course of study, or 2) work on-campus or off-campus for a maximum of twenty hours per week while school is in session and full-time during vacation. J-1 students must obtain a letter from the Treasurer’s Office of the General Conference authorizing employment before beginning work.

Academic Training. Employment which is directly related to the course of study is permitted by the Department of States (DOS) while the J-1 student is enrolled in school, or approved for Academic Training no later than 30 days after completion of the program. The General Conference is the organization that authorizes the Academic Training once the student provides the required documents.

F-1 students may work on campus up to 20 hours per week while school is in session and full-time during vacations, breaks, and holidays. The student can work off campus only with permission from the USCIS. Permission for off-campus employment is given for 1) economic hardship, 2) curricular practical training, and 3) optional practical training.

F-2 dependents can not work under any circumstances while they are in the country.

Curricular Practical Training (CPT). Employment authorization for Curricular Practical Training is given to students whose degree programs require off-campus work experience. International students may NOT begin working until the I-20 has been issued for employment authorization by the DSO. CPT is limited to twenty hours per week if the student is required to take classes during the practicum. If the CPT work is full-time, then the I-20 must be issued for full-time. For more information, contact the International Student Services office.

Clinicals, Practicums, or Internships. International students who are paid for clinicals, practicums or internships as part of a degree program MUST apply for Curricular Practical Training and be issued a new I-20. Failure to do so will consider their work illegal.

Optional Practical Training (OPT). Optional Practical Training is an optional work benefit for F-1 students intended for practical work experience in their major field of study. Upon USCIS approval, a student receives work authorization to do OPT anywhere in the United States for a total of 12 months. International students must apply for OPT before they finish their course work. They could apply three months before finishing their course work and no later than two weeks prior to completion of course work.

ACCEPTING PUBLIC BENEFITS IS ILLEGAL

Often hospital or medical clinic personnel encourage international students to accept Medicaid, or other government benefits for prenatal care, birth of baby, WIC programs etc. DO NOT ACCEPT PUBLIC BENEFITS. Doing so is considered by USCIS to be a violation of your non-immigrant status. Such students will be required to pay back the money received and may risk deportation.
The USCIS created a new system called SEVIS which monitors international students. The government requires all universities and colleges to supply them with information concerning their international students through electronic submission to SEVIS. Information such as the date of commencement of studies, failure to enroll or attend classes, or any disciplinary action taken against the student due to criminal conviction, or otherwise failing to maintain student status must be reported to the government through SEVIS.
