Our Values, Your Choice

Andrews University is a Christian community where Christ is celebrated and reflected in the academic, social, physical and spiritual experiences of its members. As a Seventh-day Adventist institution, we seek to integrate faith, learning and living, while each of us matures in our relationships with God and each other.

By deciding to attend Andrews University, students choose to be part of this uniquely Christian atmosphere. Every enrolled undergraduate student signs a *Community Values Agreement* in which they affirm their decision:

1. **To attend a faith-based institution** by respecting Andrews University's Seventh-day Adventist Christian perspective and values. See the section "A Faith-Based University" below.
2. **To adopt a wholesome lifestyle** guided by the core values of the Andrews University community. See the section "A Wholesome Lifestyle" on p. 21.
3. **To live on a residential campus** in a University residence hall while single and under the age of 22 and to participate in a meal plan at the University's vegetarian cafeteria (unless living in the community with parents). See the section "A Residential Campus" on p. 20.
4. **To be part of a gathered community** by attending weekly chapels, forums and other required co-curricular programs. See the section "A Gathered and Growing Community" below.

A Faith-Based University

Seventh-day Adventist Faith and Values. Students attending Andrews University soon learn that our Seventh-day Adventist faith and values set us apart. Our distinctive Christian perspective, guided by our understanding of Scripture, informs our faith as well as our practice. This becomes evident as students encounter a seventh-day Sabbath of rest and worship, wholesome recreational and entertainment choices, an emphasis on healthful living, concern for others through local and global service, the care of dedicated staff and professors, and a hopeful view of the present and future as found in Jesus Christ.

Campus Ministries. Campus Ministries exists to help students experience their God-given purpose. It serves as a place to plan and implement various ministries. These include on-campus worship events and spiritual growth activities such as Fusion, Refresh, Open Word, Weeks of Spiritual Emphasis, Power Pac Weekends, chapels and S.P.A.R.K., a prayer ministry. Students also have the opportunity to minister off-campus during Sabbath afternoon outreach ministries in Benton Harbor, as well as in a variety of creative ministries such as Impressions, AU Improv and the Easter Passion Play. In addition, students can take advantage of short- and long-term mission opportunities both here and abroad.

Campus Ministries encourages new ministry growth—students make ministry happen! Realizing that we are all given different gifts, they invite students to seek God's plan for their lives through ministry involvement. To learn more, visit www.andrews.edu/cm or call 269-471-3211.

A Gathered and Growing Community

Andrews University offers a rich learning environment inside and outside the classroom. As part of earning an academic degree, undergraduate students are expected to engage in learning outside the classroom. This complements what is accomplished in the classroom and lets you document valuable life experiences to share with graduate schools and prospective employers.
