>>Save a life!

This workshop is especially helpful for future health care and service professionals!

28% of trafficking victims come in contact with the health care system during their time in capture (Isaac, Solak, & Giardino, 2011).

This activity has been submitted to the Ohio Nurses Association for approval to award contact hours. The Ohio Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (OBN-001-91).

Please call the Andrews University Department of Nursing at 269-471-3311 for more information about contact hours.
