THE EVENT

Michiana VegFest is the only **FREE** event in southwestern Michigan and northwestern Indiana where you can meet experts on health, plant-based nutrition, the environment, and sustainable living, all in the same day! Enjoy speakers, chef demos, exhibitors, and food. Everyone is invited! We especially welcome children to a fun-filled, informational, and experiential Kids' Corner.

OUR GOAL

To provide our local Michiana communities with an opportunity to explore many exciting flavors and options in the expanding world of plant-based eating. By showcasing new products and services along with dynamic speakers, we encourage everyone to make vegan food choices for health, compassion and environmental conservation.

EXHIBITORS & VENDORS

We welcome businesses and organizations to be an exhibitor at this event. Showcase your vegan offerings to our crowd of veg-interested people in the area. Sell and sample foods to attract new customers.
