"The smell of death is everywhere. We dig with our hands because the military won't let excavators through."

~ Rescue volunteer (BBC Video Report)

MYANMAR EARTHQUAKES RELIEF FUND!

Critical Facts:

- 7.7-magnitude earthquake (one of Myanmar's strongest in 100 years) devastates region with 28 million people.
- Survivors digging through rubble barehanded due to lack of machinery.
- Decaying bodies in 41°C heat risk disease outbreaks.
- Aid blocked/stolen by military; critical supplies inaccessible.
- Monsoon approaching (last year displaced 200,000+); floods could compound crisis.
- No food, water, shelter.

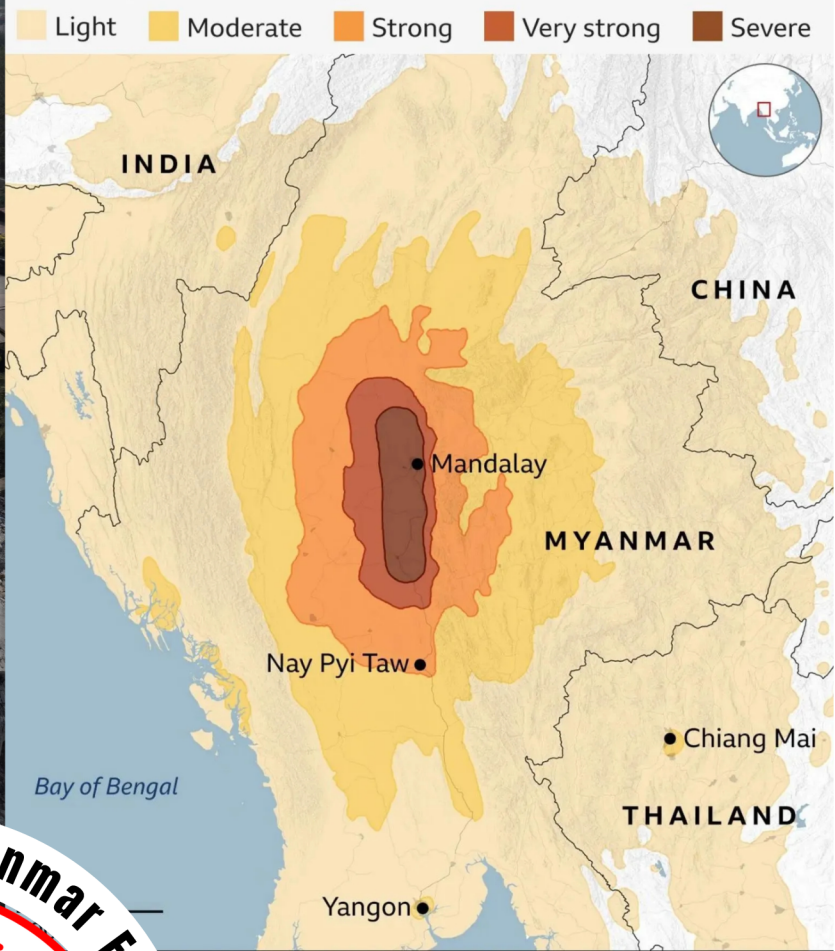

"The needs are massive, and they are rising by the hour."

Julia Rees, UNICEF's deputy representative for Myanmar.

Urgent need: food, water, medical aid, shelter, mental healing and hope through Christ.
