

## PSYC355 Cultural Psychology

The following table demonstrates how the listed course may count towards your major. Please consult with your advisor to verify as this table is just a starting point. Any major or minor outside of the School of Social & Behavioral Sciences may still benefit from the course as a general elective or as a petition to count towards your program. Please consult with your advisor to see if you can use it for one of your requirements. Common petitions are listed.

<b>Major</b>	<b>Counts As</b>
Psychology (all concentrations, BA & BS)	Sociocultural Cognate & Major Elective
Sociology (BA & BS)	Cognate (with Petition)
