

ACCELERATED 2 WEEK SUMMER COURSE

RTU is Offering an innovative College Course for Undergraduate Engineering, Physics, Science Majors, and Pre-Med Students.

Advancements in NanoMedicine & Medical Physics

This, two week multidisciplinary program is the first of its kind in the United States. This course provides an introduction to revolutionary approaches in tumor nano-therapy, nano-technology and the use of medical imaging and therapy in modern medical physics.

Program Info:

Location: Department of Physics
Andrews University
Berrien Springs, Michigan, 49104
USA

Dates: July 13- July 24, 2015

Included Attractions:

- ♦ *Guided Tour of Chicago*
- ♦ *Trip to Michigan City, Outdoor Mall & Beach*
- ♦ *Attend a South Bend Cubs Baseball Game*

Course Offered & Directed By:

Program Details:

- ♦ 1 Graduate Level Course (2 Credits)
- ♦ Career Option Discussion
- ♦ Clinical Site Visit
- ♦ No Prerequisites Needed
- ♦ Room and Board (optional)
