Letter from Chair

“MESSENGERS OF HOPE”

He came into my office, slumped shoulders, head down, voice weak and weary, “Prof, I just don’t think I can make it through this mess... there’s no hope.” More than anything, he needed hope. Hope mingled with compassion. He longed for a light before the end of the tunnel. He needed hope. Biblical hope is not wishful thinking. Biblical hope is grounded in the reality of Jesus Christ and the triune love of God.

“Blessed be the God and Father of our Lord Jesus Christ, who according to His great mercy has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead, to obtain an inheritance which is imperishable and undefiled and will not fade away, reserved in heaven for you.” – 1 Peter 1:3-4 (NASB)

Messengers of Hope in a Hopeless World

The world around us is broken, dysfunctional, fragmented and polarized. In the midst of the rude rhetoric and antagonizing actions all around us, there are many who are longing for hope. But how will they hear if you don’t proclaim the goodness of God? And how will they know if you don’t live it? And how can they hope again unless we find joy in Jesus each day? Hope is a verb: an active, creative force making an internal and eternal difference.

Will you be a messenger of hope?

* a pastor or chaplain
* a Bible teacher, missionary, or committed lay leader
* a doctor, lawyer, teacher, graphics designer, engineer… digging into scripture, sharing God’s love.

If God is calling you, we’d like to support and equip you on that journey.

If you desire to be a messenger of hope the Department of Religion and Biblical Languages offers two main pathways:

- **The Theology Major** (seminary track) is the pathway of choice for those called into pastoral ministry. This major prepares graduates to work as pastors and meets all the requirements for entrance into the Seventh-day Adventist Theological Seminary. This major prepares those who are planning to be pastors, campus chaplains, hospital chaplains, or Bible teachers. The theology major fully aligns with the seminary M.Div. program.

- **The Religion Major** is primarily a dual degree focus. This major is ideal for those who are preparing for another profession such as medicine, social work, counseling, business, music, dentistry, and desire to become spiritually and theologically equipped for lay ministry. For example, religion and pre-med or religion and social work are very desirable combinations. A religion major is a good choice also for a transfer or non-traditional student heading into ministry. If planned correctly, the religion major will fulfill all or nearly of the seminary prerequisites. The religion major has reduced credits so that it can be combined with another major. The religion major may be an excellent way to pursue your mission.

The Department of Religion also offers three minors: 1) Religion, 2) Biblical Languages and 3) Missions. The Religion and Biblical Languages minors provide rich biblical scholarship. The missions minor provides a pathway to spread the Good News of Jesus Christ to our broken world.

May God bless you as you continue to be a messenger of hope!

At the time of the printing of this handbook, it is expected that the ACE curriculum will have substantially changed for the 2020-2021 school year. To better meet the needs of our students, we have eliminated the courses that are uncertain. We plan to transition students starting in 2019 to the 2020 bulletin, depending on the ACE curriculum. However, if a student does not transition or if the ACE requirements are different than expected, a student would need to complete the requirements prior to graduation in this year. Otherwise, a student would select second major course.

RELP 200 must be registered for every semester. Please adjust your schedule for your second major as needed.

Academic Probation is applied to a student when the cumulative Andrews University GPA falls below 2.0, the semester GPA falls below 1.75, or there is a combination of 3 or more withdraws, incompletes, or grades lower than a C in one semester. Students on academic probation will need to make an appointment with Student Success to set up an academic plan.

Class Standing (Based on Credits)

Seventh-day Adventist Theological Seminary
Many students go on to earn the Master of Divinity degree at the Seventh-day Adventist Theological Seminary. Please consult the seminary in regards to their requirements, as some classes—particularly Biblical Literacy, Church Policy, and Biblical Languages—can be tested out of. Additionally, please check the prerequisites as listed on page 9. Contact the Seminary at mdiv@andrews.edu for more information.
Other Academic Policies

- RELT 105 and RELT 295 are required first-year courses for Theology majors.
- Please see the departmental chair regarding testing out of RELT 100, God and Human Life. Students not passing the test must register for RELT 100.
- Take the Math Placement Test as soon as possible; students who do not achieve a passing score must register for remedial math courses as soon as possible.
- Transfer students and those changing their bulletin year should consult their advisors to determine the best way to finish their degrees.

Religion Practicum

Students in the Religion Program should work with Professor Zork in regards to their practicum requirements where they do 25 hours of service a semester with a report plus professional assembly requirements.

Andrews Ministerial Association

AMA is the club for all Theology and Religion majors. This club serves as the central, professional club for all majors in the department and allows for professional development as well as spiritual growth and connectivity among students in the department. Yearly events include retreats, community work, evangelistic opportunities, and game nights. A $40 fee is charged to each account every year.

Theta Alpha Kappa

Theta Alpha Kappa is the national honor society for Theology and Religion students. Requirements include a 3.50 GPA in the major and an overall GPA of 3.00. This organization is for students who have shown exceptional academic ability by reaching certain standards within these academic areas. Opportunities for scholarships, publication, and public presentations are available through TAK.

Study Tours

The Department of Religion and Biblical Languages offers tours alternating every summer. Courses giving academic credits are offered for each tour. These tours are not exclusive to Religion or Theology majors, but are open to anyone interested in expanding their biblical understanding of the world. Study tours typically go to Europe and to the Bible Lands.

Field School

RELP 350, Evangelism, is offered every other summer in the form of a field school. Please confirm with Dr. Palmer the schedule for upcoming field schools. Previous trips have included both Wisconsin and Honduras.

Lebanon Mission Trip

Additionally, the Lebanon mission trip is offered in the spring of each year. This cross-cultural mission experience provides many learning opportunities as well as the development of skills and understandings for both ministry and missions. The Lebanon mission trip has been a spiritual highlight for many students over the years. For more information, please contact glenn@andrews.edu.

Many times, we hear the same thing over and over again: within Christianity, as a whole, it appears that the youth are leaving the church, and for the Seventh-Day Adventist Church, it is no different. Time and time again, we see our young people leaving the church, but as much as we may try to keep them, by getting them involved in the local church as much as possible with Sabbath School, Pathfinders, and/or AY, they always seem to leave. It's a problem that many local churches cannot seem to solve: how can we prevent our young people from leaving the church? But what if the answer was not that difficult? What if the solution was simply Jesus? Now, I know this sounds kind of cliché, but I am serious. This past month, February 15-17, CAMPUS, the Center for Adventist Ministry to Public University Students, organized their annual Winter Retreat at Camp Au Sable for public university students and young professionals. This year’s theme came from Hebrews 2:9 and the focus of this retreat was to know who is Jesus presented by our guest speaker, Dr. Erhard Gallos. The weekend was filled with many activities, but above all, students and young professionals had the opportunity to really dive deep into the first few chapters of Hebrews. If only time was not a restrain, I assure you that we would all still be there today studying the rest of the book of Hebrews. We started off Friday night with an introduction of the book of Hebrews by Dr. Gallos, where we really just discussed the background of the book to start off the weekend. We continued reading and dissecting the book of Hebrews all-day Saturday. While it may seem difficult to get our young people involved in the church, this weekend was proof that all young people really need is to know who Jesus is. The lack of knowledge of who Jesus really is and what his sacrifice really means is all that we all need to really understand to fully accept the love and sacrifice that God made in giving his only begotten son to save our lives.
