

Teamwork Feedback

Student Name: _____

An effective collaborator works with others to complete a task or to progress toward a common goal.

Did you demonstrate... (1 = yes, 0 = no)	Self/Team Score	Teacher Score	Total
Responsibility Clearly articulates the team's goals, thoughtfully organizes and divides the work, checks on progress, or provides focus and direction for the project.			
Initiative Shares leadership; knows when to lead and when to follow. Initiates connections with individuals beyond the student group (i.e. experts in the field, those with first-hand knowledge of events, etc.)			
Cooperation Consistently works to address challenges in the group through discussion and consensus-building activities; shows understanding of the learning needs of group members.			
Flexibility Compares and contrasts diverse ideas and opinions shared by team members; identifies points of agreement and disagreement; can look at ideas from multiple perspectives.			
Self-Reflection/ Agency Is highly reflective and shows a strong capacity for self-critique. Considers what was accomplished and sets future goals/plans.			
Total Score			

Patterned after Ephrata Area School District's rubric:
