

# Whole-Class Rubric

**By the end of the project, the students should be able to...**

## **Communicate Effectively**

- Share ideas respectfully and listen to others.

## **Collaborate with Others**

- Work together cooperatively to complete the project goals and contribute to everyone's success.
- Take turns presenting what they learned.

## **Explain the Project**

1. What was the problem?
2. What was the solution?
3. How did you make the invention?
4. How does it work?
5. Did it solve the problem?
6. What Bible lesson did you learn from this?

## **Demonstrate the Invention**

- Show people how the invention works.
