*** The amount indicated for the meal plan is a minimum, which typically covers **two meals per day in Dining Services** (costs will be higher for students who choose to eat all three meals in Dining Services). Students who live in approved off-campus housing do not have to purchase a meal plan; however, they must show proof of funds of **\$2,000** for each adult and **\$1,000** for each child.

§ Insurance rates are confirmed annually. All international students are required to be covered under the [Student Health Insurance Plan](#). Students bringing family members will need to show proof of funds of up to **\$1,988/year** per dependent for insurance.

~ These amounts are **paid once** at the beginning of studies at Andrews University's Berrien Springs campus. The one-time \$100 international student fee is non-refundable. The \$3,000 International Student Deposit is refundable if there are no outstanding additional student fees or charges at the end of studies at Andrews University. If there are unpaid charges, the deposit will be used to settle those charges, and then the remainder will be refunded to the student.

ADDITIONAL VISA-RELATED COSTS: Students requiring a student visa will need a Form I-20 from Andrews University. To qualify for an I-20, students must show proof of funds to cover the costs listed in the chart above. In addition, students will be required to pay a **\$350** fee (I-901 SEVIS fee) to schedule a visa appointment at a U.S. embassy. Please contact the International Financial Advisor at isfs@andrews.edu for more information, including steps for starting the I-20 process and a calculation of the costs specific to your situation and needs.
