

Application for BSN (Pre-licensure) Program

Name:		AU ID#	
Date of Birth (MM/DD/YYYY):	Gender (Check One):	Male	Female
Address:	City:	Country:	Zip:
	State:		
Cell #:	E-mail:		
Previous Institution Attended (if transfer student):			

School of Nursing Admissions Process

The admission process to the School of Nursing requires two steps:

Step 1: Academic Clearance

- Fulfill academic credential requirements.
- Take HESI A2 exam.
- Applicant will receive a letter granting provisional acceptance upon completing Step 1.

Step 2: Submit required clinical documentation for Exxat Compliance.

Step 1: Academic Clearance

Applications and supporting documents should be submitted by **June 15** of the admission year for timely consideration. *Submitting your application by June 15 does not require the HESI A2 to be complete – you have until July 15 to finish the exam. Applications are reviewed on a rolling basis as requirements are fulfilled.* The following cognate courses are required for admission into the BSN (Pre-licensure) program. Please provide the grade, semester, and year for each course, or indicate if you are currently enrolled in any of them:

Pre-requisite Courses	Credits	Grade	Semester and Year (MM/YYYY)	Currently Taking (Check if it applicable)	Plan to Take it (MM/YYYY)
Anatomy & Physiology I	4				
Anatomy & Physiology II	4				
Intro to Gen, Org, & Bio Chem	4				
Intro to Psychology	3				
Human Development	3				
Nutrition	3				

Please note that the courses mentioned above must have been completed within five years of the program's start date. If the courses are older than five years, the student must either retake them or pass a standardized challenge exam, such as the CLEP. For more details on requirements and course descriptions, please read the Nursing Student Handbook available on the nursing [website](#).

Minimal GPA Requirement: 3.0 or above

Cumulative GPA _____
Cognate GPA _____

Have you taken any nursing courses at any other college or university? Circle one. Yes No

If you answered Yes, please contact the Nursing Office at nursing@andrews.edu for guidance on the steps required to evaluate the possibility of transferring nursing credits.

The **Health Education Systems, Inc. (HESI) Admission Assessment (A2)** is an entrance exam required for all BSN (Pre-Licensure) applicants. To be considered for admission, applicants must achieve a minimum composite score of 75% or higher in each of the following areas:

- English Language (Reading Comprehension and Grammar)
- Science (Anatomy & Physiology and Chemistry)
- Math

The HESI A2 examination must be completed by July 15 for applicants to be considered for fall admission. The exam is available in more than 190 countries and may be taken remotely through **ProctorU**. To register for the exam, please contact the nursing office at nursing@andrews.edu.

Step 2: Exxat Compliance

The School of Nursing has partnered with Exxat, a cloud-based platform used to track and manage clinical requirements. This partnership streamlines the process, ensuring it is secure, efficient, and convenient for students.

The following requirements are managed through Exxat:

- Background check
- Drug screen
- Physical examination
- Immunizations: TB (Tuberculosis-Quantiferon), MMR1 and MMR2 (Measles, Mumps, Rubella), T-dap (Tetanus, Diphtheria, Pertussis), Varicella (VAR), and HBV (Hepatitis B)
- American Heart Association Healthcare Provider BLS certification

Please complete **background check** and **drug screen** between **July 1 and August 15**. All other EXXAT requirements must be submitted and approved in the system **before** the first day of the semester.

Important Notes:

- During the order placement, you will need to provide personal identifying information for security and compliance purposes. Ensure all information is accurate and complete to avoid delays.
- The background check and drug test are non-refundable and paid directly to Exxat.

Full admission to the BSN (Pre-Licensure) Program is contingent upon acceptable completion of steps 1 and 2.

I am applying for entry into the BSN (Pre-Licensure) Program, and I understand that my application will not be considered for evaluation until all the listed requirements have been fulfilled.
