

COURSE : SPPA322 - CHILD LANGUAGE DISORDERS

SCHEDULE: Spring 2010
2:00 - 3:15 p.m. T Th
3:30 – 4:30 p.m. (office hours)

INSTRUCTOR: Lena G. Caesar, Ed.D., Ph.D., CCC-SLP
Office Phone: 471-6369
Home Phone: 471-9139
Email: lcaesar@andrews.edu

PREREQUISITE: SPPA321 - Normal Language Development

COURSE DESCRIPTION: "A study of the factors contributing to the development of disordered speech and language. Includes traditional and more recent classification systems and a survey of characteristic disorders. Introduces methods of evaluation and therapy." (AU Undergraduate Bulletin, 2008-2009, p. 204)

REQUIRED TEXTS/MATERIALS.00:

1. Reed, V.A. (2005). *An introduction to children with language disorders*. Boston, MA: Pearson.
2. SALT CD-ROM.

ASHA Knowledge and Skills (KASA) Standards

Course objectives will address the following ASHA Knowledge and Skills (KASA) standards:

- I. ASHA Standard III-B: The applicant must demonstrate knowledge of basic human communication and swallowing processes, including their biological, neurological, acoustic, psychological, developmental, and linguistic and cultural bases.
- II. ASHA Standard III-C: The applicant must demonstrate knowledge of the nature of speech, language, hearing, and communication disorders and differences and swallowing disorders, including the etiologies, characteristics, anatomical/physiological, acoustic, psychological, developmental, and linguistic and cultural correlates.
- III. ASHA Standard III-D: The applicant must possess knowledge of the principles and methods of prevention, assessment, and intervention for people with communication and swallowing disorders, including consideration of anatomical / physiological, psychological, developmental,

and linguistic and cultural correlates of the disorders.

COURSE OBJECTIVES:

By the end of the semester the student will be able to:

1. List possible etiologies of child language disorders.
2. Explain various classification systems of child language disorders.
3. Discuss disordered language performances often encountered in of children.
4. Outline general assessment and intervention principles and practices for children with language disorders.
5. Exhibit a professional reliability by attending classes, being on time for all appointments, and meeting deadlines.

COURSE REQUIREMENTS:

1. Prompt **attendance** is not only expected but required at all class periods. More than **7** absences (which is more than 20% of the class periods) constitute an automatic **F** (see A. U. Undergraduate Bulletin, 2008-2009). Students arriving more than 10 minutes after the start of class will be considered absent. Please note: Three tardies equal one absence.
2. Three **tests**, worth between 75-100 points each. **Tests cannot be made up except in EXTREME situations** (e.g. medically documented illnesses, death of family members, etc.) Tests must be made up within **two** (2) school days, or a score of zero (0) will be recorded.
3. Each student will work with a partner to prepare a **case study** for a hypothetical child manifesting language disorders associated with one of the following disabilities:
 - (a) Mental Retardation (Down Syndrome, FAS, etc.)
 - (b) Learning Disability
 - (c) Visual Impairments
 - (d) Autism
 - (e) Traumatic Brain Injury
 - (f) Deafness/Hearing Impairment
 - (g) Childhood Aphasia/Acquired Language Disorder
 - (h) Cerebral Palsy/Neuromotor Impairment (choose one specific type and omit any concurrent disorders, such as mental retardation and hearing impairments)
 - (i) Specific Language Impairment (SLI)
 - (j) Attention Deficit Hyperactivity Disorder (ADHD)

The case study, worth **100 points**, will include the following:

- (a) Child's identifying information in report format (name, age, etc)
- (b) Child's background information (medical, familial, social, etc);
- (c) A discussion of the range of possible etiologies (or etiological theories if no specific one is known, along with a description of a probable etiology for your child's disorder;
- (d) A discussion of the diagnostic process that "took place" in order to determine what was your child's disability.
- (e) Parents' reaction to the diagnosis.
- (f) A detailed description of the types of speech and language problems the child will experience or is experiencing (given the child's age).
- (g) A discussion of the options for treatment available to the child's parents and a justification for the parents' choice.
- (h) A sample speech-language therapy plan (with long & short term goals) to address any two of the child's language deficits.
- (i) A prognostic statement (clearly supported and justified).
- (j) In-text and supporting references for all aspects of the study from academic journals & textbooks.

The case study is to be typed. You need to include references and in-text citations for all your information, following APA 5th edition format. **The case study is due on Thursday, April 8 at class time. *Assignments received after class-time on the due date will receive a 25% reduction. Assignments arriving after the due date will not be graded.***

Your paper will be graded as follows:

- Content - 70 points
- Organization/Clarity - 10 points
- Grammar/spelling - 10 points
- References - 10 points

4. **Dramatic presentation.** Each team of students will make a dramatic oral presentation of one aspect of their case study (e.g. Parent reaction to diagnosis **OR** Getting a diagnosis. etc). Presentations will be judged on evidence of familiarity with the facts about the disorder and the ability to convey this information clearly and interestingly (**30 points**).

5. Abstracts. Four summaries of relevant, recent, research articles obtained from *peer-reviewed, academic* journals will be due on the dates stated in your schedules. Models and Rubrics will be provided for these assignments. ***Assignments received after class-time on the due date will receive a 25% reduction. Assignments arriving after the due date will not be graded (10 pts).***

6. SALT Project. **Each student will enter a language transcript into the SALT Program and perform specified analyses according to guidelines attached in the syllabus. This project is due on February 25 at class time. *Assignments received after class-time on the due date will receive a 25% reduction. Assignments arriving after the due date will not be graded (50pts).***

GRADES:

Grades are a straight percentage of total points achieved to total points possible. They are based on:

1. 3 examinations
2. 4 journal abstracts
3. Case study paper
4. Dramatic presentation
5. SALT Project
6. Attendance/other assignments (per instructor discretion)

Grading Scale:

94.0% - 100%	= A
90.0% - 93.99%	= A-
87.5% - 89.99%	= B+
83.5% - 87.49%	= B
80.0% - 83.49%	= B-
77.5% - 79.99%	= C+
73.5% - 77.49%	= C
70.0% - 73.49%	= C-
65.0% - 69.99%	= D
0.0% - 64.99%	= F

MISCELLANEOUS INFORMATION:

1. Projects arriving after the due date will **NOT** be accepted. Projects arriving after class-time on the due date will be penalized. If you plan to be sick, absent, busy, etc, make sure your assignments are done beforehand.
2. “Academic dishonesty includes (but is not limited to) the following acts:
 - i. Falsifying official documents;
 - ii. Plagiarizing, which includes copying others’ published work, and/or failing to give credit properly to other authors and creators;
 - iii. Misusing copyrighted material and/or violating licensing agreements (actions that may result in legal action in addition to disciplinary action taken by the University:
 - iv. Using media from any source or medium, including the Internet (e.g. print, visual images, music) with the intent to mislead, deceive or defraud;
 - v. Presenting another’s work as one’s own (e.g. homework assignments);
 - vi. Using materials during a quiz or examination other than those specifically allowed by the teacher or program;
 - vii. Stealing, accepting, or studying from stolen quizzes or examination materials;
 - viii. Copying from another student during a regular or take-home test or quiz;

- ix. Assisting another in acts of academic dishonesty (e.g. falsifying attendance records, providing unauthorized course materials).”
Students who collaborate in dishonest acts are also held responsible for them. A student may be dismissed or suspended from the university for cheating or plagiarizing (Andrews University 2008-2009 Bulletin). In addition, the student will receive a reduced grade (a score of zero will be given on whatever quiz, exam, paper, project, etc. that was involved in the incident), and may receive a failing grade in the course. Faculty in the Department of Speech-Language Pathology will consult on any academic dishonesty issue to determine the penalty that will be applied.
3. If you qualify for accommodations under the American Disabilities Act, please see the instructor as soon as possible for referral and assistance in arranging such accommodations.
4. Cell phones are not allowed to participate in class discussions. Please make sure that phones are turned off before entering the classroom. The instructor reserves the right to request that disobliging students leave the classroom with their phones.
5. The instructor reserves the right to alter, modify, delete or augment class rules and assignments as deemed necessary and with a minimum “notice time” of one class period.

Tentative Schedule

The teacher reserves the right to modify, eliminate or augment any or all portions of the schedule with reasonable prior notice to students.

<u>Date</u>	<u>Topic</u>	<u>Readings & Assignments</u>
Jan 5	Introduction & Orientation – NLD	Chapters 1 & 2
7	Research Training—Library	
12	Overview of Language Disorders	Teacher handouts
14	SPED Laws in Context	Teacher handouts
19	SPED Laws in Context	Abstract # 1 – Open
21	Service Delivery in the Schools	Teacher handouts
26	Service Delivery in the Schools	
28	SALT LAB	
Feb 2	Principles of Assessment	Chapter 13
4	“	
9	Testing the Tests	Abstract #2 - Assigned
11	EXAM # 1	
16	Treatment of Language Disorders	Chapter 14
18	“	
23	Children with SLI	Chapter 3
25		SALT Project Due
Mar 2	CLD Children	Chapter 9
4	“	Abstract #3 – Assigned
9	Learning Disabilities	Chapter 4, 5
11	ADHD	Chapter 4
12 - 21	SPRING BREAK	

23	Exam #2	
25	MR/DD/CI	Chapter 6
30	MR/DD/CI	Abstract #4- Open
April 1	Autism/PDD	Chapter 7
6	Autism/PDD	
8	Acquired Language Disorders	Chapter 10 <u>Portfolio Due</u>
13	Neuromotor Impairments/Visual Impairments	Chapter 11
15	AAC	Chapter 12
20	Hearing Impairments/Deaf Culture	Chapter 8
22	PRESENTATIONS	
April 29	FINAL EXAM (1:30 -3:30)
