Inspiring this community to a 24/7 walk with the living Jesus.

Jesus is the person we want to know. He will not and cannot be limited to a program, a method, a “good idea”, an after thought, a mere doctrine, an exclusive commodity, a destination, a class, a standard, or just a man. Jesus is the Lord, the King of the Universe, the Lamb whose blood was shed for us, the Deliverer, the One who is the meaning in our lives, the Living Water, the Bread of Life, the One who stands at your door and knocks.

At the One Project Gathering this last February, as Chaplains we joined 172 Adventist leaders from around the world and like the others there we were inspired to have Jesus lead the way forward. We began to share this vision with Andrews University leaders and PMC pastors, the very words of Jesus were fulfilled, “When I am lifted up, I will draw all men unto me.” (John 12:32)

We invite you to know Him more and allow Him to be “The Way” for your academic, professional, and faith journey. You will see Him “lifted up” in the residence halls, co-curricular programs, Pioneer Memorial Church and Campus Ministries’ gatherings through worship, Bible study, prayer, preaching and sharing. Take a moment to register so you can have access to the latest details for engaging “The Way”.

Campus Ministries exists to help you experience your God-given purpose.
