Submit your course plan to your instructor within Learning Hub AND discipline yourself to make regular progress.

Assessment Descriptions

Blogs

Eight blogs forum questions appear throughout the course. They are posted in the lesson to which they best correspond. The successful student is expected to post a 1 page essay, 250-300 words, and well-thought-out response to the question. The student is expected to make connections to the readings, cite the sources, but also connect the information to personal experience. Further instructions appear in the blogs.

Essay Assignment

There are seven essay assignments in the course. These require you to write one page structured answer to a given question. Please, check the essay example in Learning Hub to be sure to reach the required quality.

Bible Study Assignment

Choose one of the prophetic books covered in this course. Write a 15-question Bible study, with answers to the questions. Be sure to name which book you’re covering and what your audience is. You can select and specify any target audience (you can specify the age, gender, area of studies or professional career, country, culture, religion, socioeconomic strata, etc.). Your Bible Study needs to include questions, biblical passages, and comments that are consistent with the target audience that you have selected/specified. Imagine that you have invited these people to your home to study this book. This Bible study would be the first lesson you would deliver. At the end of your Bible Study include a short paragraph that explains to the instructor and your classmates why you think this guide (questions, biblical passages, and comments) are applicable to that target audience. Therefore, your Bible Study includes: (1) the identification of the lesson/topic chosen; (2) the specification of the target audience selected; (3) the study guide-questions, biblical passages, and comments; and (4) a short explanation of why this guide is applicable to the target audience selected.
Art project
Choose one of the prophetic books covered in this course and create an art project that represents this book. (not the same book selected for the bible study assignment). This is where the successful student posts the artistic results of about 5 hours of class study time. A project could be an MP3 of a song a student wrote and recorded, a Power-Point slide show, a poetry, a video showing a sculpture the student made, a photo of a painting the student made, or any other such art project. One who does not feel artistically inclined may spend the time writing some devotional thoughts on the selected book. These could be presented in written form or as radio-spot-style audio portions. A good length for the total amount of devotional material would be 2 double-spaced pages typed, or 5 minutes of audio. Students are very encouraged to explore other forms of artistic talent, though and to only do the devotional project if nothing else seems to work. A brief summary of the art project idea is to be presented as part of the fulfillment of this assignment.

Reading Requirements
Students are expected to read the materials listed below.

- Required text materials as described above.
- Online lessons, and assigned articles.
- Assigned Bible passages.

Maintain Professional Conduct Both in the Classroom and Online

The classroom is a professional environment where academic debate and learning take place. Your instructor will make every effort to make this environment safe for you to share your opinions, ideas, and beliefs. In return, you are expected to respect the opinions, ideas, and beliefs of other students—both in the face-to-face classroom and online communication. Students have the right and privilege to learn in the class, free from harassment and disruption.
Academic Accommodations
Students who require accommodations may request an academic adjustment as follows:

2. Download and fill in the disability form at [http://www.andrews.edu/services/sscenter/disability/accommodationsreqform.pdf](http://www.andrews.edu/services/sscenter/disability/accommodationsreqform.pdf). Preferably type answers. To save a digital copy, 1) print to file and save or 2) print and scan. Honesty
Using the work of another student or allowing work to be used by another student jeopardizes not only the teacher-student relationship but also the student’s academic standing. Lessons may be discussed with other students, tutors may help to guide a student’s work, and textbooks, encyclopedias and other resource materials may be used for additional assistance, but the actual response must be the student’s own work. A student who gives information to another student to be used in a dishonest way is equally guilty of dishonesty.

Any violation of this policy will be taken before the Higher Education Academic and Curriculum Committee for appropriate punitive action.
