

Bachelor of Science in Nursing

The baccalaureate online completion program is for RNs already holding an associate's degree. It takes two years of full-time study to be awarded the BS in Nursing. Having established career goals and having refined their clinical competency, RNs can seek further education, which will strengthen their professional image, challenge their scholastic abilities, and prepare them for graduate school, if desired.

OVERVIEW

- **Program Type:** Bachelors degree
- **Program Length:** 124 credits
- **Online Format:** Self-paced, some interactive
- **Program Entry:** August, January or May
- **Application Deadline:** Admission year-round
- **Why at Andrews?** Flexible. Faith-based. Online.

OUTCOMES

- Students who successfully complete the program will:
- Apply Christian values and health principles to restore humans to the image of God.
- Be culturally aware, sensitive, and appropriate in their nursing practice.
- Foster open and effective communication.
- Utilize critical thinking, clinical reasoning, judgment, evidenced-based practice in patient-centered care.
- Apply leadership concepts, principles of advocacy and decision making in quality patient care.
- Function effectively in professional team to achieve quality patient care.
